**Auto pay = Auto enroll**
We now offer a convenient auto pay option through Square. Save a credit/debit card online through Square and your child’s tuition will automatically be withdrawn on the 15th of each month for the following month. There are 44 weeks/11 payments (July 2019-May 2020) in our 2019-2020 season. Your child’s spot in his/her class will automatically be held through the auto pay option. We will not hold spots with session to session payments, unless tuition is paid by the posted due dates. We recommend signing up as early as possible to ensure your child’s spot in his/her class. In the event that you would like to withdraw from classes, and you have signed up for the auto pay option, please notify the office, in writing, a minimum of 10 days in advance of the monthly automatic withdraw. Note: Some class sessions do not end precisely with the end of a month so you may be asked to pay the difference.
