

Derry Township Agricultural Fair

TRAILER PARKING AND CAMPING

Camping Permit and Fee must be Post Marked by June 15th. No Exceptions!

Must stop at the office for Permit and Camping Site # before parking.

Stock Trailer Parking Guidelines

1. A designated area will be provided for those who wish to leave their stock trailers on the grounds during the fair. **NO EXCEPTIONS!**
2. There will be a \$10.00 fee to all stock trailers which are parked on the fairgrounds for the whole week.
3. The fair assumes no responsibility for damages that may occur while trailers are parked on the fairgrounds.
4. Any questions or problems may be directed to any fair board member.
5. **ALL trailers must be marked with name and phone number for emergency contact.**

Camping/Camper Space Permit Guidelines

1. No Generators.
2. Requests will be honored on a first come first served basis.
3. Once all available spaces have been filled the remaining camping requests will be informed that there are no vacancies.
4. The fair assumes no responsibility for damage that may occur to property while on the fairgrounds.
5. There is no sewage service on the grounds.
6. Depending on the demand/interest, a dumping service may be obtained for an additional fee (to be paid at fair office when permit is picked up).
7. Availability of dumping service will be determined only after all requests have been processed.
8. A designated area will be labeled for each permit granted.
9. Campers **MUST** be pre-registered and you may pick up your permit Saturday or Sunday before the fair starts. Campers need to be set up before the fair officially starts.
10. No sleeping tents.

* All personal belongings should be removed by dark of the day following the closing of the fair.

* Fair reserves the right to request the removal of personal property from fairgrounds at any time.

* All permit/space assignments will be honored at the discretion of the Department Superintendent.
