It is hard to believe that 2019 is here! This means we are starting preparations for our annual recital. The first costume order has been made and choreography for many recital routines is underway. Don't forget, a music download of your dancer's recital music will be available on the "view documents" tab of your studio director account. This is the perfect way for your dancer to review their routines at home and put them the extra step ahead in class. See your dancer's instructor or the student handbook with any questions.

## **Frequently Asked Questions:**

***When will my dancer's recital costume come in?***

- Each costume has to be customized to fit your dancer's measurements. We do our best to order costumes early in the season to ensure a quick arrival. Some costumes take a couple months to come in. We will distribute them as soon as they get to us.

***What additional items will my dancer need to participate in the recital?***

- The costume letter your received includes any additional items you may need for the recital routines. Additional information like hair and makeup preferences will be sent out at a later date.
