

Eighth Almost Annual 1st JD Fishing Expedition

Evan Lipstein and John Livingston announce the eighth almost annual 1st JD Bar Association fishing trip. For 2015, the trip will be on June 27, as usual at the Mount Massive Lakes Trout Club near Leadville. The Club again has 23 lakes full of moderately large trout. This is early in the season, and the dry fly fishing should be at its best.

The guest fee of \$60 per person will need to be paid in advance. Burgers and brews will be provided by John and participants are encouraged to bring some *uni*, chips or other side dishes and delicacies.

Still interested after all the caveats? Contact Evan by email:
