

2015 Whiskeytown Relays Important things to know!

- Have Fun!!!!
- Day use fees will be enforced so carpooling is encouraged.
- **THE ROAD FROM THE VISITORS CENTER TO THE BRANDY CREEK MARINA WILL CLOSE AT 730 AM!!! No one will be allowed to go past the VISITOR CENTER after that.**
- The race begins at 8 AM sharp
- Buses are for runners only. Please no spectators allowed due to our insurance policy for the event.
- Our goal is to get all the runners to their respective leg of the race. After that, buses will run continuously until all the runners are back to the finish line.
- 2nd leg runners must run on the lake side while on 299. Please always be aware of any oncoming traffic!
- Absolutely no bikes are allowed to ride with runners.
- Please, no littering along the course because its just not a cool thing to do 😊
- Awards, fun and food will be awaiting you at the finish line. 😊 😊

Thank you for your support of the SWEAT Running Club. We are a nonprofit organization dedicated to awarding scholarships to local high school runners. Last year we awarded over \$8,000 😊

All of the people you see helping at the race are volunteering their time. Some have spent over 100 hours working on the event!

THANK YOU TO ALL !
