Services include job exploration and counseling, work-based learning experiences and training.</p>

Youth Empowerment Services, YES Waiver	The YES waiver helps children and youth 3-18 years old with serious mental, emotional and behavioral difficulties.
---	--

The maze of multiple intake systems and eligibility processes can be as confusing and time consuming as locating the help you need. Aging and Disability Resource Centers ([ADRCs](#)) help cut through the maze. ADRCs serve as a key point of access to person centered LTSS specialized information, referral and assistance and provide one-stop access to information for people who need help finding long-term care services. Locate the ADRC near you [here](#).

State Agencies

AGENCY	DESCRIPTION
Texas Education Agency – TEA	TEA is the state agency that oversees public education in Texas. While not directly providing special education services , TEA has the responsibility of managing them.
Texas Department of State Health Services – DSHS	DSHS provides state-operated health care services. Mental Health Services and the CSHCN program are 2 specific to individuals with disabilities.
Texas Health & Human Services Commission – HHSC	HHSC offers programs that help with food, health care, safety and disaster.
Texas Department of Housing and Community Affairs – TDHCA	TDHCA provides housing and community development opportunities for low income individuals, nonprofit organizations and private companies, contractors, banking institutions, rural communities, local governments and investors.
Texas Workforce Commission – TWC	TWC is the state agency charged with overseeing and providing workforce development services to employers and job seekers of Texas.
