Dear Mr. Johnson & the Southern Cross Team,

On behalf of our Board of Directors and our Glasser Schoenbaum campus community, I would like to thank you for the outstanding work you did on the Salvation Army Building N renovation project.

You and your team of subcontractors were always compliant with our often tough demands of time and budget constraints - and always with a smile and a solution.

We could not have asked for a better experience and we look forward to continuing to work with you on future projects on our campus.

Please do not hesitate to give our name to potential clients as a reference for the high standards and excellent quality of work and professionalism that you and your company represent.

Thank you again.

Warmly,

Dr. Kameron Hodgens
