## DIRECTIONS TO THE PORT OF GRAYS HARBOR

**From the North:** Follow I-5 south to Olympia. Take Exit 104 Aberdeen/Ocean Beaches exit – also known as Hwy 8 W. Follow this highway for approx 45 mins – it brings you straight into Aberdeen ( you'll pass McCleary, Elma & Montesano before you get to Aberdeen) .

**From the South:** Follow I-5 North just past Centralia. Take exit 88B/Hwy 12 West. Hwy 12 goes right into Elma - just before entering Elma notice the signs directing to the continuation of Hwy 12 onto Aberdeen. The highway on-ramp is on the left just after passing under the overpass. Continue on Hwy 12 to Aberdeen approx 25 minutes –

### **Hwy 12 brings you right into Aberdeen on Wishkah St:**

- You'll be driving straight through town.
- Go past McDonalds & Burger King then across a short bridge
- After the bridge get into the center lane of traffic going through downtown
- Watch for the America's Best Value Inn on your left – note signs from above directing you straight ahead to the Port of Grays Harbor – Continue straight ahead through the next 2 lights – ***Do not turn to the right to go to Hoquiam/Ocean Beaches.***
- Approx 4 blocks ahead traffic will split to the left and right –you need to go right and should already be in the right lane
- Continue until you cross the railroad tracks.....

### **Port Administrative Offices – 111 S. Wooding St.**

Wooding St is the third street on the right after you cross over the railroad tracks. If you go past Kenworth you've gone too far. Once on Wooding Street the Port offices are ½ block down on the left.
