9439 State Road  
Cranesville, PA 16410 USA  
(814) 756-5580

BMS Company has become the regional independent sales rep for L&M Tool and Industrial Supply, headquartered in Bedford Heights, OH. BMS will represent L&M primarily in Erie and Crawford Counties in Pennsylvania, but with the ability to provide the L&M product lines to anyone other than those already having an L&M account with another representative.

L&M Has been in business since 1985 and serves customers around the United States from the Bedford Heights sales and warehouse location. We stock millions of dollars of inventory of the most popular items our customers require and offer one day UPS ground shipping to Erie and Crawford County on items inventory if the order is placed no later than 4pm. This allows you to let us inventory your cutters, grinding wheels, 3M abrasive products or other items without tying up your cash in inventory but having them available the next day at very reasonable shipping prices.

Here are some of the more popular items we have available;

- Abrasives;
  - Cratex
  - Norton
  - 3M
  - Radiac
- Carbide Tools
  - American Carbide
  - Garr Tool
  - Iscar
  - Kennametal
