

# Northeastern Kansas Beekeepers' Association

## Year 2 and Bee-yond Beekeeping Class for 2023

February 25, 2023

### Are you a beekeeper or a bee-haver?

- Please silence your mobile phone.
- Questions are welcome. If the speakers don't know the answers, they will try to find the answers for you. We have over 300 years of beekeeping experience represented today.
- We will make every effort to stay on schedule. Our speakers have valuable information. Information is more important than a rigid time clock. We will be patient and respectful.
- Each registration will receive a notebook for summaries, notes, and references.
- Visit our vendors for information and equipment.
- We are a not-for-profit association. Everyone here is a volunteer. We appreciate your support and patience.

- 8:50 – 9:00 Introductions—Kristi Sanderson
- 9:00-9:30 **Winter Inspections** Steve Tipton. Late winter inspections (January) ---- W Hive hefting, when & how to feed hard sugar cakes, what temps can brood frames be pulled out, accessing dead hives.
