INCIDENT REPORT

On Monday, Nov. 5TH at 12:20 PM, an individual was seen sitting in the bench area near the church. The individual was acting "suspicious." Needless to say, staff members asked the individual to leave the campus immediately. The incident was reported to the La Mirada Sheriff Department.

On a side note, Mr. Villegas spoke with the deputy sheriff and informed her that in previous years, police cars parked and kept watch over our school on a rotation basis, and he requested continued security. So if you do see a police car parked near our school, please don't be alarmed. It is just an added step in the safety of the students. The well-being of your child is our #1 priority.
