

## Old Style Feet for National NC-200, NC-2-40 series, etc.

Replacement feet for the National NC-200, National NC-2-40 series, National Speakers, etc. Kit consists of resin molded feet (instead of metal like original) and adjustable felt covered feet which screw into the bottom of the feet. These are manufactured using molds made from original National feet and require a considerable amount of labor to make.

Replacement feet are available in single quantities or in sets of 4.
