Attention Suppliers!

Do you have a message you want to get out to the members? Do you have an announcement? event? special? You want to promote directly to the membership and beyond?

Landscape NS is offering an opportunity to do just that.

How Does it Work?

Landscape NS sends out numerous emails directly to the membership. So why not use that to promote your business? LNS will have our Supplier's Corners logo on each email that goes out to the membership.

The logo will be linked to the LNS website which will be open for anyone to view your ad, promotion or announcement. You can keep it up there for a week, a month or up to a year! The logo will also be promoted on the Home Page of the LNS website. So it'll be easy to find.

Rates!	Members	Non-Members
	\$100 / 1 month	\$150 / 1 month
	\$200 / 3 months	\$300 / 3 months
	\$300 / 6 months	\$500 / 6 months
	\$600 / 12 months	\$900 / 12 months

The longer you advertise the cheaper it gets!

Just watch for the logo!
