DID YOU KNOW?

On the night of December 13, 1940, seven men, five of whom were alcoholics, met in room 152 in the Henry Hotel and formed the first A.A. group in Pittsburgh. Later it was moved to Downtown YMCA on Wood St.

Pittsburgh celebrated their first anniversary in the YMCA cafeteria with 32 persons in attendance. This was our first chance to hear one of our co-founders, Bill Wilson, and all

for the price of \$1.10 per person. This was Dec. 1941.

TRADITION ELEVEN

Short Form

12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principals before personalities.

Long Form

12. And finally, we of Alcoholics Anonymous believe that the principle of anonymity has an immense spiritual significance. It reminds us that we are to place principles before personalities; that we are actually to practice a genuine humility. This to the end that our great blessings may never spoil us; that we shall forever live in thankful contemplation of Him who presides over us all.

DAILY REFLECTIONS

THE TREASURE OF THE PAST

*Showing others who suffer how we were given help
is the very thin which makes life seem so worth while
to us now. Cling to the thought that, in God's hands,
the dark past is the greatest possession you have-the
key to life and happiness for others. With it you can
avert death and misery for them.*
