

Preschool

At **LIVE AND LEARN ACADEMY**, we want children to be happy and excited about learning and reaching their full potential. Our mission is to provide a warm and nurturing environment that fosters the social, emotional, physical and intellectual growth of each child. Our theme based, teacher created curriculum incorporates a phonics program using interactive alphabet notebooks, which include uppercase and lowercase letter formation rhymes. We, as a preschool, continuously develop our curriculum to meet the latest standards at our local schools and re-evaluate to meet the individual needs of each child. We incorporate "Kid Fit" activities and structured fitness classes, to engage, energize and inspire our preschoolers to develop healthy habits at an early age. Our goal is for your child to successfully enter kindergarten with the necessary skills to promote lifelong learning. Our preschool hours are from 9am-1pm and the prices are as follows:

Our program offers homework support as well as structured activities that promote social, emotional, physical and intellectual development. Our After School program provides transportation for children in the Mooresville Graded School District (MGSD) as well as other area schools. There is an additional fee for schools outside of the MGSD.
