## *Walk to Emmaus Weekend Schedule*

---

What happens on a Walk to Emmaus weekend? This is a question we get asked a lot. The weekend is not secret nor are we a secret society. The weekend is a compilation of 15 talks given over 3 days (5 per day). Also built in to the schedule is time for corporate worship and time for personal reflection. There is no physical walking as the name suggests, but we do walk spiritually with Jesus Christ during the weekend.

Here is an outline you may share with prospective Pilgrims and those interested in learning more about the weekend before they make a decision to attend.
