A GOLDEN ERA RADIO SHOW

This show was part devised theatre and part actual radio scripts from the 1940's. We used *The Invisible Man* and *The Spiral Staircase* radio scripts to start the process. The rest of the script was devised through the rehearsal process with the director and the actors.

Director – Janice Fronzcak
Scene Design – Darin Himmerich
Lighting Design – Del DeLorm
Photography – Jack and Kerri Garrison
Costume Plate Photography – Del DeLorm
