1	It is frowned upon to give students paper and pencils activities. It is extremely hard to get copies made. We do not know if this is due to the site or due to the parameters (or lack of parameters) set by the district.	2/4/2021 6:32 PM
2	The bare minimum is given. We are discouraged from using paper materials for small children. There is a limit of two art projects per month per grade level that will be copied.	1/30/2021 1:48 PM

1	Even though we got the news about returning back face to face, admin has not had a staff meeting or mentioned it.	2/18/2021 8:19 PM
2	The expectations are constantly changing. There is not an equitable guideline for all the schools on who can be at school and who cannot. Some schools told their employees that they could stay working at school if they needed to, other schools did not. Many of the staff are struggling to work from home. This is not exactly the fault of the principal--but that of the district for allowing too much flexibility and not enough guidance.	1/30/2021 1:48 PM

2	Our teachers are supportive and welcoming. We go out of our way to help and make newbies feel welcome and supported. We have several BTSA support providers on our campus and we hear and see how difficult it is at other campuses and we don't want that reputation. We work hard to be a loving, caring supportive staff and make newbies know that is our culture climate.	2/1/2021 12:53 PM
