## **LOCAL MANAGEMENT PROPOSES NEW START TIMES**

Representatives from the APWU Local Union (Camp, Schweiker, Lukomski, & Dever) met today with management reps (Faber & Hunt) to discuss the rumors that have been flying around on staffing at the NDC. There was not much concrete information being offered by management. Basically, all we know for sure is that they are proposing that the Clerk Craft tour hours will be aligned as follows:

Tour 2 start times of 6 AM and 830 AM.

Tour 3 start time of 1230 PM.

Tour 1 start time of 830 PM.

The specific days off, duty assignments, number of positions, effective dates, etc. are all very much up in the air at the moment.

Management is again relying on a tool which tells them how many people we are entitled to, supposedly based on revenue. We will continue to meet and discuss these plans and will certainly ensure that the CBA is followed. It is far too early, based on the limited information provided, to know exactly how this will affect FTR and PSE clerks, including unassigned regulars. Future updates will be put out as soon as we learn new, factual information. In the interim, it would be best if we all try to avoid buying into the misinformation that has been floating around the rumor mill for the past few weeks. If you have any questions on this matter, please feel free to ask for a steward.

In Solidarity,

*Chuck Camp*
