

St. Vincent's Employee Activity Council Presents...

Culinary Institute of America

Thursday, June 21, 2018

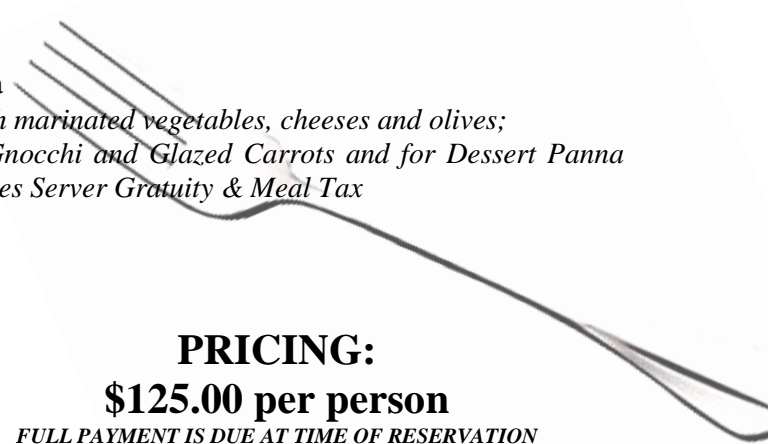

Our trip begins at the famed **Culinary Institute of America** in Hyde Park, New York. The CIA is an American private, not-for-profit College that specializes in culinary, baking and pastry arts education. It was founded in 1946 as a vocational institute for veterans returning from World War II in New Haven, CT. In 1972 they relocated to Hyde Park, New York and has become the country's pre-eminent culinary arts school. Upon arrival, enjoy a student-guided tour of the Culinary Institute of America, followed by a 3-course luncheon.

Our next stop is a **local Orchard & Bakery**, that is family owned and has worked the land for 6 generations. We will visit the bakery where they make their own muffins, breads and jams out of their own fruit.
