

2018 ROUND 2 ~ May 19th & 20th

NEBO HILL GP ~ Nevada, MO

Presented by: FREEDOM CYCLES

Nebo Hill this weekend - first GP format race of the season - 2 30-minute moto's – separate tracks for the big bikes Saturday and Sunday - probably 75% separate – motocross track will be shared of course - the 50 track at this property is totally separate from everybody else - separate start/separate scoring/separate track – we've got a cool 65-85 ladies track too - we're working on the motocross track now – no big jumps just rollers and good corners, some of it will be tilled, some of it will be rolled, some of it will be just grass (kinda like Unadilla!) so we have a little bit of everything! Big bikes will be blue arrows on Saturday & red arrows Sunday.

Lakin Finch will be running a concession stand throughout the weekend – be sure to give her some business!!

Sign up before you practice – come to the riders' meeting – respect the facility – no riding after dark.

For first-timers to MORE, please take a minute to read through our Rules, and look over our Classes/Numbering lists. Every series does things a little differently than others, so it's important that prior to race day that you are informed. One thing to note is that riders are required to display the appropriate number and background color on all three number plates during our events. If you don't have the correct setup, generics are available at signup for \$3/set of three.

Please make sure that your pets are on a leash at ALL times and remain at your vehicle.
