Med Tiles

NEW COLLECTION

Eclectic Mediterranean Pattern

The Med Tiles design is an impression of the antique Moorish tiles found in the Mediterranean cities of Spain, Portugal and North Africa. Inspired by the vast heritage behind these patterns, the design features a worn and aged look.

Printed in a reactive colour which means that every piece is unique. Ideal for sharing plates and signature dishes, Med Tiles mixes and matches with other Churchill ranges to create an eclectic look.

Med Tiles

- Manufactured using Churchill's innovative print process.
- The reactive print colour mean that each piece is unique.
- Available in the Aquamarine colourway on two deep plates and two oblongs.

PRINTS

Raku

NEW COLOUR & NEW ADDITIONS

Reactive Texture Through Print

Studio Prints collections are a contemporary take on traditional studio pottery. Raku, a range in the Studio Prints collection is inspired by the traditional glazing process known as Raku firing, which creates expressive and exciting results. Manufactured in the UK, Raku inspired prints are achieved with Churchill's innovative print process. The print is positioned directly under the glaze, creating a protective layer over the decoration. Emulating an artisan glaze finish, Studio Prints Raku has all the durability and technical reassurance required for the hospitality environment.

Introducing a new Raku colourway, Jasper Grey, as well as contemporary Geo and Walled Plates in Quartz Black and Topaz Blue.

Raku

- The new fresh colour Jasper Grey brings a neutral and contemporary base for food presentation.
- Each piece is unique as the print acquires its beautiful colour through random and spontaneous effects.
- Available in ten round and oblong shapes.

NEW COLOUR

Reactive Texture Through Print

Studio Prints collections are a contemporary take on traditional studio pottery. Stone, a range within the collection, is inspired by the traditional process of hand carving ceramics from natural stone. Manufactured in the UK, Studio Prints inspired designs are achieved with Churchill's innovative print process. The print is positioned directly under the glaze, creating a protective layer over the decoration. Emulating tones and textures of nature, Studio Prints Stone has all the durability and technical reassurance required for the hospitality environment.

Introducing contemporary Pearl Grey to Stone, a natural and subtle colour addition which complements the existing earthy colour tones.

Stonecast[®]

NEW ADDITIONS

Inspired by the Seasons

Stonecast is an exciting collection of rustic and hand decorated products inspired by the changing seasons and fresh ingredients. The rustic collection is revived from a design in the Churchill archives, dating back to the days of the James Broadhurst factory. Stonecast is hand decorated with a fine speckle and rustic edge in a rich golden brown. The nature of the manufacturing process means that every piece will be slightly different, adding to the overall charm of the product.

Introducing a contemporary new shape to the Stonecast collection, Chefs' Geo plates are inspired by geometric designs.

Stonecast®

- Contemporary Geo shapes are new to the Stonecast range, featuring softly faceted sides, creating a distinctive and versatile tableware piece.
- Hand decorated making each piece unique.

Stonecast[®] Patina

NEW ADDITIONS

Inspired by Surface Texture

Stonecast Patina is inspired by tones and surface texture created naturally over time, shaped on materials such as metal, stone, leather and wood. Patina is a modern interpretation of the antique sheen effect created by aging. The new is revealed through the old. The nature of the manufacturing process means that each piece will be slightly different, adding to the overall charm of the product. With a range of technical attributes, Stonecast Patina is designed to withstand the rigours of a back of house hospitality environment.

Additions to the Patina range include oblong and triangle shapes across Burnished Green, Antique Taupe, Iron Black and Vintage Copper.

Patina

- Inspired by tones and surface texture created naturally over time.
- The earthy, reactive tones are hand decorated, making each piece unique.
- Triangle and oblong additions are ideal for serving sharing platters and small plates.

In a distinctive colour palette that creates a striking contrast against food presentation. The neutral and relaxed design is ideal for any casual setting. Manufactured in a vitrified porcelain body, designed with functionality in mind. Exclusive shapes designed in the UK and produced in partnership with a specialist porcelain manufacturer.

The Caldera range is enhanced with the additions of large plates and bowls across Ash Black, Chalk White and Flint Grey.

Caldera

- Caldera is decorated in a matte glaze and finished with a mottled texture that enhances the surface of the tableware.
- The contemporary, mottled design in subtle, muted tones create a pearlescent lustre.
- Large round plate and bowl additions to the range are ideal for serving main courses, salads and pastas.
- Manufactured in a vitrified porcelain body.

Wood

NEW ADDITIONS

Designed in the UK for use with the Churchill ceramics portfolio, the extensive range of wooden pieces in a variety of shapes and finishes are sourced in partnership with suppliers who share our policy on sustainability and environmental awareness, therefore our wood is 100% renewable.

The new retro inspired Deli Boards are in soft, geometrical shapes and have a mid century feel. Made in lightweight rustic acacia, finished in a food safe lacquer and featuring a handle loop for ease in service; the new deli boards are designed with functionality in mind.
