ASK YOUR ART TEACHER FOR ASSISTANCE!!!!

- You may complete the online registration/submission process in stages and save your work as you go or do it all at once. - Unless you're running up against the submission deadline, it is recommended to complete it all at once, after the students have finished their work, so that you have all of the information you need in front of you.
- You will need to upload either one or multiple images of your student's(s) artwork depending upon the category.
- Use your most frequently checked e-mail address for communication.
- All Events Will Be Virtual.

It seems daunting at first, but after the first one, it proceeds fairly quickly.
