

Official Bean Bag Rules (League: May 22-July 3)

1. Each team has 4 bags to throw. (Rock, Paper, Scissors to choose Bag color)
2. Each player must throw from behind the front of the box. The player MUST NOT pass the front of the box or the throw does not count, and the bag is removed.
3. Each team alternates shots, beginning with the team that scored the last point.
4. SCORING:
 - a. Points are scored when a player has a bag on the board or in the hole.
 - b. Only one team can score points per round because points cancel each other out
 - i. A bag put on the board = 1 point
 - ii. A bag put in the hole = 3 points
 - c. The maximum amount of points scored in a single round is 12 points. (4 bags from the same team in the hole)
5. The game is over when one team scores 15 points.
 - a. If a team goes over 15 points, that team goes back to 11 points and continues on.
6. A bag that hits another players bag or any other bag is legal and still in play. If a player throws a bag and the result is that it hits the other players bag in the hole, that bag in the hole counts as such. If a player knocks another players bag off of the board, that bag stays off of the board.
7. A bag that hits the ground for any reason is considered dead. If a bag bounces and lands on the board, it is dead and must be removed from the board before play may continue.

*****If both players prefer the same side of the board, simply alternate, otherwise each person will have their own side*****
