### Preconference Workshops: Leadership in a Global World

1st February 2013, Mumbai

**HALF DAY WORKSHOP** (Participation fees INR 3500)

WORKSHOP SPONSOR

#### "6 KEY ATTRIBUTES OF A GLOBAL LEADER"

In many surveys, senior management state that their main challenge for the next coming years is around Talent and Leadership Development. This presentation will explore the 6 important dimensions that help an individual to perform in a global environment and will incorporate exercises.

FACILITATOR: Dr. Muriel Joseph-Williams heads BrainCorp Inc., an international consulting firm that specializes in global integration

**FULL DAY WORKSHOP** (Participation fees INR 4000)

#### "PERSONAL LEADERSHIP: MAKING A WORLD OF DIFFERENCE"

What if there were a leadership methodology that from its inception was designed to build intercultural competence and navigate complexity? And that was being incorporated in global business, education, and non-profit organizations? In this engaging workshop you will learn the core principles and practices of Personal Leadership and come away with a clear vision of truly intercultural leadership and how you can apply in your own practice.

FACILITATOR: Heather Robinson, founder and principal of Success Across Borders, has spent over 30 years enhancing organizational effectiveness in multinational corporations.
