Author of three books on
inclusive education and
UDL practice, including
*“Ensouling Our Schools:
A Universally Designed
Framework for Mental
health, Well-Being, and
Reconciliation,”* Katz will
lead participants through

UDL practices that align with the new
curriculum and touch upon key concepts
such as social-emotional learning, mental
well-being and trauma informed practice.

Time will be provided for participants to
discuss concepts and collaborate with
colleagues.

Katz's message is applicable to all who work
in education.
