

MGA Member Meeting Nov 1, 2018

President Jack Nederostek called the Meeting to order and the following items were discussed

Golfer of the year Award

The golfer of the year award for this past season was presented to Mike Carney. The golfer of the year is the MGA member winning the most money during the season.

Hole in One Award

Jim Sevcik had a hole in one on number 7 today and was given the hole in one payout.

John Terrell Award

The John Terrell award was presented to 4 MGA members for their Service to the MGA. Martin Lamey, Lee Pereksta, Pat Garrigan, and Tony Delmonte were presented with this award during the luncheon.

Cypress Head news

Bob Duquette told the group that during play there should be no more than 2 holes between groups during play. He said that we should move along during play and should be playing 'ready golf'. Bob also noted that in each group, those using Cypress Head carts should double up if the group happens to have 2 carts with single golfers in each Cypress Head cart.

From the Floor

Bob Aguzzi asked for the floor and stated he did not enjoy golfing with other than white tee players. He asked for a show of hands of white tee players that agreed that white tee players should only golf with white tee players. After a quick show of hands, he stated that his proposal was accepted and gave back the floor.

Rules committee news

Bill Schell said that the new USGA rules we will be following next year will be posted on the bulletin board. He also noted that if anyone paid their \$6.00 tournament fee last week they should and have been given a credit for that this week (or in the future) due to last week being a rain out.

Other

Fourteen 50/50 winners for \$20.00 were drawn during the meeting.

Dennis Knox read the winners of the November 1 tournament.

Jack adjourned the meeting.

Respectively submitted: Lee Pereksta, MGA Secretary
