Before Meeting

Joe Adomanis addressed the board. He believes coaches should pick the players and who goes on which team. He would like more games to be played, especially at the 8th grade level.

Girls Travel Position

Ashley Mack introduced herself to the board and officially applied for the position for girls travel director. Marc Rossi made a motion, Paul Smith seconded. All in favor 6-0

3 v 3 Tournament

Jim spoke about the tournament. Jim asked that a gym request for the date of October 30th be submitted. Looking to have shirts/jerseys that are reversible, but that only have a logo and do not have a number. Quoted at \$11.50/shirt by MBM. The tournament would be along the lines of: no refs, just court monitors. Kids would keep their own fouls, keep their own score and in charge of their own subs. 2-20 minute halves with a running clock and 5 minute half time. The age groups/grade levels for divisions would be: 3rd-4th, 5th-6th, 7th-8th.

Travel tryouts

Dates are pending. Maria submitted a request for both CRMS and OVMS for both boys and girls for the following dates. Monday September 20th, Wednesday, September 22nd, Friday September 24th and Saturday September 25th. We are awaiting approval before we begin advertising. Jen Wisor contacted the high school basketball coaches who would be willing to rate kids for the teams.

Paul Smith motioned and Jen Wisor seconded to have tryouts closed for both boys and girls. No potential coaches or parents will be allowed in the gym. The only people allowed in the gym is the travel director, raters and those running the drills of the tryouts.
