Buffalo Ranch Salad Dressing

Ingredients

1 cup prepared ranch dressing *
2 tablespoons Frank's red hot

Step by Step Instructions

Combine ingredients together in a bowl and stir well.

This recipe is best when made at the time you are going to use it, so only make what you will eat at one sitting.

*NOTE: I have used my recipe for Big Batch Ranch Dressing Mix to prepare homemade ranch dressing. You can find the recipe on the website.

Enjoy!
