

Surf Club 1 Condominium Association, Inc.

P.O. Box 354434 ♦ Palm Coast, FL 32135

Tel. 386-446-5222 ♦ Fax. 386-446-1889

We are currently in the middle of Hurricane Season and with the Tropical Weather looming over us the Association would like to remind all Unit Owners of the responsibility to ensure the safety and protection of the Surf Club 1 building.

Leaking through the sliding glass doors is the main way water is penetrating the building. We have found that placing chamois towels between the slider and the metal lip, and placing a “Fun Noodle” between the stationary glass and the metal lip are very effective ways of reducing the amount of water entering through this area.

Remember to inspect the exterior of the sliding glass doors for holes or other defects that may cause water intrusion into the building.

Surf Club 1 is an investment of all Unit Owners. We take pride in maintaining the integrity and appearance of our Condominium.
