January 29, 2015

As our Universal Prekindergarten Program will now encompass the entire day, the Greek American Institute is able to open its educational venue to younger students. The Greek American Institute will admit three year olds to its Rising Stars Program. Please be advised that students must be “potty-trained” and able to take direction. If you have siblings or anyone you think may be interested in our three year old program, please fill out the form below and return to school.
