

## Our Company History

**2011– present:** Opened office in Austin, Texas where our company has interlocked with local for- and non-profit businesses to focus on needs of urban and rural areas for the purpose of community, economic and social development

**2007:** Relocated office to Robinsonville, Mississippi; thereby advancing previous workload to focus on financial development and the needs of rural impoverished areas for the purpose of economic and social development

**2003:** Established a satellite office in Butare, Rwanda to assist with immediate needs after genocide

**2002:** Partnered with SICA, Inc., to further develop our plan of action for both domestic and international clients.

**1999:** Company founded as an international business management and marketing firm and established an office in Texas and a satellite office in Ouagadougou, Burkina Faso.

 P. Smith & Associates, Inc.

*"always part of the solution"*
