## FINE PRINT

Copies of insurance and permits need to be submitted with this application in order for it to be accepted. If you do not have these documents upon submitting, please let us know so that we can be looking out for them. Food Vendors Applicants will not be accepted without the above documents.

We ask that all food vendors refrain from serving Coke products. We understand there are items listed on your menu that include drinks but please only serve Pepsi products or bottled water.

There is no power source, other than a universal power outlet, located at the front entrance of the Theatre. If you are in need of power, you will need to arrange this before attending an event. If you plan to use the power outlet at the front, please supply your own drop cords and be sure to secure them properly to ensure the safety of our guests.
