Human life is sacred from its conception and there is an obligation to multiply

Affirmation 1

There is **1 God** who is both He and She !

Belief in **1 God** is absolute, no exemptions. Over thousands of years **1 God** repeatedly sent this message. **1 God** made it clear to the humble scribe compromise or deviation is unacceptable and will be dealt with on Judgment Day.

1 God expects respect! Therefore idolizing **1 God** is absolute, no exemptions. Having other idols is disrespectful. **1 God** will hold disrespectful people accountable, in life and Afterlife.

Advise: Don't anger **1 God** !

Loving and worshiping false idols is insulting **1 God**. **1 God** wants humankind to prove that it has come along the evolutionary trail far enough to resist false idols. Effigies of false idols are not to be used in religious worship. Dismantle their symbols, shrines and place of worship. **1 God** is watching.

False idols are alive or dead people, creatures or other things whose effigy or image are idolized. **False idols:** Crosses, a man on a cross, an overweight person, cult leaders, messengers (son of God, messiah, prophet), their mother, saints (martyr), creature's half animal half human, warlords, plants, animals, landscape (caves, rock formation), elements (wind), or objects floating through the physical universe (sun, moon, planets), celebrities (media creations)...

When you idolize, pray or worship, there is 1 Choice: **1 God** !!

Within **1 God** is the positive He and the negative She. When **1 God** created the Physical universe positive He and negative She were separated. By this separation **1 God** created the desire of positive He and negative She to join (mate), completing each other becoming whole. Wholeness is needed for Specie survival. Specie survival is paramount.

1 God who is both He and She created He and She equal. He and She compliment each other and need each other to be complete and Species' survival. When human He and human She join together, they are in a state of **1 God** likeness. This is not possible for 'Sexual disability afflicted (child molester, confused gender, same gender). Sexual disability are quarantined to protect them and protect the children.

He mistreating or hurting She is mistreating and or hurting **1 God** (**1 God's She part**). She mistreating and or hurting He is mistreating and or hurting **1 God** (**1 God's He part**). Don't mistreat or hurt **1 God**!

He and She competing against each other at work, at home or in the community reversing roll models is wrong. He, She competing against each other, Roll reversing is wrong contradicting **1 God's** Design.

1 God's Design: **He and She** establish a Family!
He is Father, Provider, Protector.
She is Mother, Carer, Homemaker.

He and She a match made in Heaven!

Must do :

Idolize, pray to and worship **1 God**. The 1 only, both He and She!

Custodian Guardian help misguided people to find and idolize, pray and worship **1 God**! (Note! Use Challenge Prayer) Reformed and now new Custodian Guardian are helped to discard and recycle everything that reminds them of past 'False idols'. **1 God** is watching!

Effigies of false idols should not be used in religious worship. **1 GOD** wants humankind to prove that it has evolved enough. To resist false idols and dismantle their symbols, shrines and place of worship.

There is no place for false idols. They are to be resisted shunned. Do not pray, support or show admiration to false idols. Celebrities are the newest kind of false idols. Most reprehensible is the idolization of celebrities'.

Effigies of false idols are not used in religious worship. These pagan symbols are dismantled (recycle all effigies of false idols sculptures, digital images, jewelry, pictures, photos, publications, statues...).

Demolish all false idols places of worship (Cathedrals, Churches, Convent, Mosques, Monastery, Shrines, Temples and Synagogues). Recycle the building materials for shelters for homeless and other needy. 1 God is watching!

Buildings, Streets, Towns named after false idols: rename them. Rituals (songs, music, dancing), worshiping of false idols, 'Ends'.

Note! A religious messenger should not be seen as an idol. He or She is a deliverer of a important message. Nothing more nothing less. 1 God's messengers should be respected.

1 God is both He and She! He and She must adhere to community standard roll models. Roll reversing is contradicting 1 God's Design, not acceptable behavior.

He and She compliment each other they need each other to be complete and Species survival. When human He and She join together, they are in a state of 1 God likeness. This is not possible for sexual disability afflicted (child molester, same gender, confused gender).

He and She join in Holy Matrimony to start a family. Fulfilling their destiny. He, She establish a Family!

He is Father Provider, Protector. She is Mother Carer, Home maker. There is no mating, no Holy Matrimony, no starting a family, no living together, no raising children for sexual disability afflicted. They are quarantined to protect them and the children.

Individual have sexual disability because of genetic aberration. It's normal to feel disgust, revulsion when confronted by a Sexual disability individual. Their disability instills anger in normal people. Because they sense them to be a threat to children and specie. They are quarantined (protective custody) to protect them from community anger, violence. Also to protect the community from their unnatural behavior. 1 God has given normal people this instinct to protect our specie. Parents have a duty to keep children away from Sexual disability afflicted. Parents supporting same gender marriage. Are depraved unfit to be parents. Custodian Guardian shun shame, depraved parents.

He and She are equally (7_7 rule) represented on Custodian Guardian committees (Klan, Orackle). As they should be on all committees.

1 God created He as son and She as daughter. This makes every He a son of **1 God** and every She a daughter of **1 God**. Anybody claiming to be the only son of **1 God** is, **False**.

1 God Prayer

1 God is waiting to hear from you

Dear **1 God**, Creator of the most beautiful Universe

I pledge to have no other idols
I shall shun all false Idols and recycle their symbols

Affirmation 2

1 God created 2 universe and selected humankind to become Custodian of the physical universe !

When **1 God** created the Universe it was divided into 2 parts: the 'Physical Universe' (PU) and the 'Spiritual Universe' (SU). Our Soul commutes (Reincarnation) between both Universes' to end up staying in the 'Spiritual Universe' as Angel (Immortality). Our body lives in the 'PU'. The body's' immortality comes via mating, multiplying and having, raising children.

1 God created pulsating, bright, fiery 'Sun Stars'. These Sun Stars gave birth to orbiting Planets creating Solar Systems. We live in a solar system called, 'Destiny' on a planet called, 'Earth' our home!

1 God created the Physical Universe slightly imperfect. **1 God** created a cycle of '**Beginning, End, Recycling**' (B.E.R). Everything in the expanding physical Universe has a beginning and an end with the leftovers being recycled. This imperfection and the cycle 'B.E.R' led to the creation of 'Evolution'. **1 God** created, 'Evolution' to ensure that their is ongoing changes happening in the Universe. Humankind needs to accept that change is ongoing, always! Evolution operates by using, 'Trial and Error' to tackle challenges. Humankind should 'Plagiarize' Evolution.

Note! **1 God** does not charge copyright. Neither should humans (greedy, parasitic, predatory, profiteers) **MS R6 !**

Everything that is part of B.E.R cycle is given a part of the Original Soul. The Soul keeps both Universe connected and in touch with **1 God**. **1 Gods'** procedures used when creating both Universe, guide us as to which procedures need apply to living. Follow **1 God's** examples!

1 God created by design an imperfect Universe. We should accept that nothing is perfect (perfection is not possible). Perfect is an abstract, unreal. 1 person's perfect is another person's imperfect

1 God created the Physical Universe in 6 Days, Day 7 was a Rest Day.
1 God set the example work 5 days on day 6 evaluate your work, complete any unfinished work, plan next weeks work. On day 7 rest enjoy life have a Fun Day, pray, socialize, visit a Gathering.

1 God created 'Evolution' to ensure that there is ongoing changes happening in the Universe. Humankind needs to accept that change is ongoing, always! Evolution operates by adjusting to change and imperfections. Humankind is to use Evolution as mentor.

1 God gave everything in the 'PU.' a survival instinct. When the chemistry was right, Evolution expanded (evolved) the survival instinct to intelligence. The ability to make choices, logic, reason,...

Evolution 1 God's miracle !!!!!!!

The ever expanding 'P.U.' needed 'Custodian'.

1 God searched and found a Planet that evolved more than any other. Planet 'Earth' our 'Home'.

To be Custodian of the Universe a specie needs mathematical understanding. **1 God** created a new specie on Earth, that had this ability, understanding: Humans (us, you).

1 God created 3 specie (Races) versions. Evolution cheekily evolved 1 more. African, Mongolian, European and Evolved. **1 God** is happy with 3+1 Races. Keep **1 God** happy, apply: 'Racial Integrity'.

'Racial Integrity'!
3+1 Races are equal
but different.

Mixed breeds are an insult to **1 God**! Mixed breeds undermine **1 God**'s design. Being proud of your Race is mating and multiplying within your Race: **Racial Integrity !!!**

1 God created on Day 6 humankind to become Custodian of the Physical Universe. **1 God** expects humankind to be Custodian of the local Habitat and the wider Environment. This applies to our planet, moon and everything else in the Physical Universe.

The Universe keeps expanding, so should Humankind. **1 God** wants humankind to venture out into Space (explore, colonize) and beyond our solar system embracing all of the physical Universe.

To fulfill our 'Destiny', there needs to be a 'Holy-Matrimony' contract, then mating and multiplying. Population growth, Space Exploration and Colonization are Humankind's 'Destiny'.

To be a Custodian you need to care, understand and harmonize with the local Habitat and the greater Environment. Humankind is to understand the interdependent ecosystem. 'We change 1 thing and evolution will respond by changing everything else dependent (ecosystem) on the 1 thing'.

Currently Humankind's performance as Custodian is poor. 1 GOD is dismayed! Humans who are responsible for making 1 GOD's most beautiful Creation Planet Earth sick, unlivable are to be rehabilitated: MS R7

Zero Tolerance to Polluting: Air ~ Soil ~ Water and Space !!!

Wasting of Resources and Energy for useless consumer 'Junk' and idle 'Entertainment' is to **Stop!** Resources, Energy and 'Know How' are to be allocated for Space Exploration, Colonization, Humankind's Destiny! Education is to refocus. Understanding: the environment Evolution, Space travel, the expanding imperfect physical Universe. Is the new focus.

Must do :

Respect 1 God's design of the changing imperfect Universe. Accept that change is constant that nothing is perfect! Follow 1 God's design!

Study, apply the Cycle of '**Beginning, End, Recycling**' (B.E.R).

Observe '**Evolution**' how it adapts and survives by imperfection and uniqueness. Always's think about '**Cause and Effect**'* before acting.

* The Physical Universe uses Cause and Effect. On a small scale any change to a local Ecosystem has an effect on other parts of this Ecosystem.

Cause: Using 'Chemical insecticides'!

Effect: Alters food chain reduces plant pollination, creating mutations, becoming a risk to human health.

Action: Replace chemical with natural insecticides!

Cause: Enriching Uranium!

Effect: Deadly radiation, greatest threat to human survival!

Action: Stop Nuclear research! Close Nuclear facilities! Close uranium mines! Cage Nuclear Scientist, **MS R7**.

Cause: Burning Coal!

Effect: Choking humans and animals! Greatest human health risk!

Action: Stop burning coal! Close coal mines! Prosecute, **MS R7** all mine workers, mine owners, coal transporters, coal burners !!!!

Cause: Growing GM Crops!

Effect: Alter genetics of whole food chain creating mutations. Interfering with 1 God's design! Greatest threat to human design!

Action: Shire destroys crops and scorches soil for 3 years. Cage GM Scientists, Seed Producers, Seed Growers! **MS R7**

Cause: Consumerism creating Garbage!

Effect: Polluting soil, water; vermin, insect plagues; gas emission!

Action: Stop producing, buying disposable, non essentials (**Junk**)

Cause: Violence towards Life (**human, animal**), Environment!

Effect: Misery, suffering, injuries, death and destruction!

Action: Stop violence and prosecute the Guilty! **MS R1-7**

Cause: Capitalism!

Effect: Corrupt, elitist, in just, selfish, wealth apartheid, anti 1 God!

Action: Cage Profiteers, **MS R6**. Confiscate private ownership assets. Convert to **CROn** (**Community Run Owned not for profit**)!

Cause: Communism!

Effect: Corrupt, incompetent, in just, anti 1 God!

Action: Replace government with multi choice elected candidates. Replace State owned entities with **CROn** !

Cause: Hereditary Tyranny!

Effect: Corrupt, incompetent, unjust, wealth apartheid, anti 1 God!

Action: Replace Tyranny with multi choice elected candidates. Replace wealth Apartheid with social justice and **CROn** !

Cause: Cannibalism!

Effect: Cloning, body fluids organ transplant, creating monsters!

Action: Stop cloning, transfusions, transplants!

Live in 'Harmony' with your Surroundings...

Being Custodian of the Universe entails 'Space Exploration'. Space Exploration leads to 'Space Colonization'! Both are Humankind's Destiny.

Space Colonization needs 'Population growth'! Population growth comes via 'Holy Matrimony', mating and multiplying! **Note!** Doesn't apply to sexual disability (confused, same gender,..) afflicted.

The expanding 2 Universe need more Custodians and Angels.

Let nothing interfere with your Soul's life experience mission.

Celebrate: **08.1.7. Universe day (NAtm)!**

At your local Gathering. Custodian Guardian also use the Gathering as hub for custodial duties.

Custodian Guardian use their local Gathering as hub for custodial duties. **Action and activities, starting with family, community,,: Pro environmental action, activities concerning climate change, ecosystem, wildlife, vegetation, human survival. Pro non violence action, activities, reporting violence against people, animals, environment, neighborhood watch. Pro non profit action, activities, establishing CRON, promote and use them. Pro new age time management. Pro accountability, mandatory sentencing, life. Pro free education, free health care, volunteering, weekly minimum wage.**

Anti: capitalism, communism, burning, cannibalism, coal, cruise shipping, garbage, genetic modification, immorality, junk, junk food, lead, plastic, pollution, tourism, uranium, wealth apartheid!

For all activities the Law Giver Manifest is our guide.

Universe Prayer

1 God is waiting to hear from you !

Dear 1 God, Creator of the most beautiful Universe
Your most humble faithful custodian guardian (1st name)
Thanks You for selecting Humankind
Pledges to be custodian of Planet Earth
Pledges to colonize the Universe and be its custodian
Asks for help in fulfilling Humankind's Destiny
For the Glory of 1 God and the Good of Humankind

This prayer is used when needed and on Universe day !

Before space colonization comes space exploration. Each Province build and put into orbit a 'Space Exploration port' (SXp). All exploration is initiated from the SXp's.

Space exploration and colonization need rules (laws): S>X Laws 1 (inner space), S>X Laws 2 (outer space)! A Space Exploration Court (S>XC) that enforces them. S>XC rulings are binding for all Provinces !!!

S>X Laws 1 (Inner Space)

Space exploration, colonization need rules (laws) which are upheld and enforced by a Space Exploration Court (S>XC). Inner Space Laws (1) cater for Earth Space and Earth Moon.

SX Quarantine Law

Nothing can be brought back to Earth! Everything brought back from Space is quarantined on a Space Exploration port (SXp). People involved breaking this Law get, MS R7

SX Satellites Law

Every Province has a right to privacy! Satellites from other Provinces invade this privacy. Foreign Satellites in a Provinces Inner Space are confiscated, dismantled and may be destroyed.

SX Moon-Law

The Earth's Moon is of limits for mining, colonizing and military. People involved breaking this law get, **MS R7** Province (s) involved in breaking this law have their 'SXp' shut down for 70 years. All equipment used breaking this law is confiscated, divided equally by the honest Provinces.

S>X Laws 2 (Outer Space)

Outer Space Laws (2) cater for Planet exploration and colonizing. They are upheld and enforced by a Space Exploration Court.

SX Exploration Law

1st XC (1st Exploration Claim) of a planet or moon goes to a Province that builds a permanent manned base. 1st XC entitles to 1/7 of a planet. 1st claimant divides the planet into 7 areas, picks 1 of the areas. 2nd claimant picks 1 of the remaining 6 areas... the 7th claimant gets the last area. Once picked, areas cannot be changed.

Changing Areas is breaking 1st XC law. A Guilty Province loses the right to explore the planet for 70 Years. All equipment used for this criminal activity is confiscated and divided equally by the honest Provinces. People involved in this Crime get **MS R7**

SX Planets Moon Law

A Planet's Moon(s) belongs to the Province that 1st builds a manned base on it (applies to each moon). It is not shared with other Provinces! When a moon base becomes unused (due to neglect,...) any other Province may move in claim the Moon. Breaching Planets Moon Law a guilty Province loses the right to explore the moon's planet for 70 Years. All equipment used for this criminal activity is confiscated and divided equally by the honest Provinces. People in breach get **MS R7**

S-X inner and outer Space incompatible laws:

SX Earth Moon Law (inner Space) does not apply to other colonized Planet Moons (outer Space)!

S-X inner and outer Space compatible laws:

SX Quarantine Law (inner Space) is applied to every colonized Planet (outer Space)! **SX Satellites' Law** (inner Space) is applied to every colonized Planet (outer Space)!

S>XC (Space Exploration Court)

Space exploration, colonization need a rules (laws) enforcer a Space Exploration Court. The S>XC uphold's Space exploration and colonization law. S>XC rulings are binding for all Provinces !!!

This court has 7 Judges (1 from each Province). Judgment comes by secret ballot and majority vote. Minimum majority 4 of 7. There is no appeal.

Inner Space Laws (1) cater for Earth Space and Earth Moon. Outer Space Laws (2) cater for Planet Exploration and Colonizing.

If a **Province** breaks a Space Exploration law it is prosecuted. The people involved get prosecuted. Equipment used in the crime is confiscated and given to the honest Provinces (equal shares).

Law Giver justice is the rule in every part of the physical Universe. The Universe Custodian Guardians thank 1 God for creating the most beautiful Universe and making Humankind it's custodian.

For the Glory of 1 God and the good of Humankind!!!

Affirmation 3

Human life is sacred from its conception and there is an obligation to multiply!

HE sperm bonds with a SHE egg pregnancy commenced (human life). Human life is sacred therefore it needs to be protected from physical threats, moral Evil. Terminating a pregnancy (Abortion) is killing is anti 1 God. Abortion is the most heinous Evil, cowardly crime a human can commit !!! MS R7

Threats (Dangers) to the wellbeing and survival of humankind come from human predators (addiction providers, assailants, child molesters, confused gender, same gender, killers, polluters, profiteers,..). The community has a duty to contain these Dangers. Parents and Educators have a special duty here.

Execution a planned killing of a Human life (Abortion, Assassination, Death penalty). Killing whether by Government, Military, Freedom fighters (Separatists), false religious Cults (Terrorists), Criminals, Law enforcement or civilian vengeance is anti 1 God. Every person has a civil and moral duty to ensure every Killer is prosecuted.

Zero Tolerance to Killing !!!

Killing a person is unforgivable !!!

Killing angers 1 God !!!

Self inflicted killing (euthanasia, suicide) a sign of a weak mind and a weak spirit. A life experience for the Soul. Don't interfere unless there is a danger to others. 1 God will handle this on Judgment Day. Helping a person to a self inflicted killing is acceptable as long as the relevant court accepts that there is a death wish. Severe suffering is torture (a pet is euthanized a human deserves no less). End it!

Other Dangers to the well being and survival of human life come from:

Climate, (too cold, too hot, too dry, too wet,...) use protective clothing and shelter. Individuals, Shire and Province are to work together. Homelessness is a community failure, shame!

Creature predators, (dogs, mosquito, sharks, snakes..) community awareness and control is essential. A Shire has to act responsible. Individuals have to be vigilant and use common sense.

Genetic modification, (bacteria, birds, enzyme, fungi, insects, mammals, seeds, virus,...) insulting 1 Gods' Design. GM changes ecosystem and food chain. **Stop 'GM' research, growing, prosecute researchers, growers. MS R7**

Microscopic predators, (bacteria, fungi, germ, virus,..) are a stealthy threat but can be the most dangerous. Cleanliness, tidiness, immunization, diet, personal hygiene, quarantine, health checks of people and animals, 'Helps'. Parents, Educators, Shire and Province are to work together.

Pollution, (disposables, nuclear waste, packaging, burning: coal, gas, oil, uranium; toxic waste..) is contained. Close coal, uranium mines, reduce oil, gas burning. Prosecute **MS R7** Coal burners and miners, uranium miners and nuclear waste producers.

Poor diet, no unhealthy (alcohol, carbonated, sweet,...) drink, no unhealthy (GM, manufactured) food. Prosecute providers of unhealthy drink and food. Shire and Province are to ensure everyone has drinkable water and eatable food. A community with thirsty hungry people is a failed community. Don't let your community fail!

Protect human life from dangers and threats !!!

Multiplication

For Specie survival a person physically, mentally, emotional fit, has a **1 God** given duty to mate and multiply. Mating, multiplying is needed to establish a family. Failure to do so is anti social a threat (survival) to the Community. Celibacy is anti **1 God**.

A main purpose for living is to mate and multiply. Failing to do so is living a failed life. Unacceptable to **1 God** and community. Specie survival is paramount.

Community survival may dictate forced multiplication. Artificial insemination but no gene modification. A person does not need to mate to multiply.

Mating and multiplying within a family unit is the most successful and beneficial way to live up to a person's duty and destiny. The family unit is supported by the Community.

Well functioning communities use the family unit and religious rules to multiply. The Shire provides free medical from conception to death and free education to children and seniors via 'SmeC' (Shire medical education Complex). Shire, home to families, traditions, dialect...

Past selection of 'Bride and Groom' relied on: elitism, greed, lust.. This led to inbreeding (undesirable). Bride and Groom selection by the community is better. During their 1 year 'CE' (Community Emergency) service every 17 year old SHE and 18 year old HE are evaluated (capable to multiply, capable to parenting, racial integrity, provincial diversity) and selected to enter a 'Holy Matrimony' contract (HM).

The 'HM' contract allows for 1 He and 1 She to mate and multiply. The 'Holy Matrimony' contract has a beginning and an end. It begins on Wedding Day by signing. It ends when the youngest child completes age 14. Breaking the contract (Adultery..) is criminal. MS R4-R5

No 'HM' for child molester, same gender, confused gender!

Same sex couples, transgender living together are not a family unit! They cannot raise children. Child molester, same gender and confused gender raising children commit a crime (child molesting) MS R7

Mating, multiplying outside 'Holy Matrimony' is 'Trashy'. Trashy parents lose their children. Children become available for adoption.

Polygamy (a person has more than 1 spouse) is animal like, primitive, unacceptable human behavior a, crime. Group marriages are depravity, immoral a crime (Adultery). MS R4-R5

Couples that cannot multiply (health issues) become foster parents. May qualify to adopt. Doesn't apply to sexual disability (child molester, same gender, confused gender) afflicted.

There are 4 major threats to 'Holy Matrimony', selfishness, adultery, addictions, sexual disability and pornography. Moral strength overcomes these threats. For the children and self have moral strength.

Mate and multiply for specie survival !

Must do :

Conception is 1 God's greatest Miracle! Slaughtering (abortion) the Unborn is the most heinous crime in the Universe! The greatest insult to 1 God!

Note! Abortion is an Execution! **MS R7**

Fakes : Environmentalist wanting to protect vegetation, wildlife but support, Abortion are fakes. Animal rights activists who support abortion are fakes. Shun Shame them! Show your disgust (non violent).

Zero Tolerance to Abortion, Death penalty !

Accountability in life and Afterlife !

Executions are planned killing (**MS R7**) whether by government, military, criminals, freedom fighters (separatists, terrorists), outdated religious Cults (christians, hindus, moslems, israeli), law enforcement or civilian vengeance. Every danger, threat and crime against Human life are dealt with **MS R7**. Past and present crimes against Human life are held accountable by 1 God on Judgment Day.

Every person has a 1 God given duty to protect human life from :

Human predators (assailants, bullies, child molesters, homosexuals, killers, polluters, profiteers..)

Creature predators (dogs, mosquito, sharks, snakes,...)

Microscopic predators (bacteria, fungi, germ, virus..)

Wealth predators (parasitic predatory profiteers, foreign owners..)

Climate (too hot, too cold, too dry, too wet..)

Poor diet (no drink, unhealthy drink, no food, unhealthy food..)

Stupidity (addictions, burning, garbage, pollution, recklessness,..)

Addictions (alcohol, adrenalin, gambling, shopping, smoking,...)

Pollution (air, soil, space, water)

Every person has a **1 God** given duty to 'Stop Government Torture, Executions (assassinations, death penalty)'. These Governments with their participating employees are replaced, prosecuted, **MS R7**

Domestic violence is unacceptable the community has a duty here. Report every domestic violence you observe. Check to ensure community is taking action. **Stop Violence ~ Start at Home**

Every person has a **1 God** given duty to live healthy (pollution free, healthy diet, keep fit, clean drinking water, protective clothing and shelter..). The community needs to make this possible.

There is a **1 God** given obligation to mate, multiply. To fulfill this obligation He and She enter a 'Holy Matrimony' contract. Mating, Holy Matrimony don't apply to same gender or confused gender.

Same gender mating ritual is abnormal, depraved, disgusting, revolting. A threat to the specie. Child molesting, same gender, confused gender are disabilities (sexual) that are a threat to the human specie. Therefore it becomes necessary to quarantine (isolate) these threats. Same sex couples living together outside 'SQC' (Sexual Quarantine Compound) is immoral, depraved. Same gender, confused gender handling children is child molesting, a crime to be prosecuted, **MS R7**

Support a concept of a Family unit and Communal living. For bride, groom selection use 'CE' (Community Emergency) service. Every 17 year old She, 18 year He are evaluated (capable to multiply, be a parent, racial integrity, provincial diversity), selected to enter a 'Holy Matrimony' contract. Breaking contract (Adultery..) get **MS R4-R5**

Custodian Guardian support children raising collectively by parents, medics, teachers, senior volunteers. She attends (mandatory) before, during pregnancy and after new born has arrived a 'SmeC' (see Shire)! She is on a 6 day roster as are medics, teachers and senior volunteers.

Affirmation 4

Humankind is to seek and gain knowledge than apply it!

The central control center of the sacred human body is a brain. The brain gives humankind unique intelligence, imagination, abstract thinking, problem solving skills. The ability to absorb knowledge and apply knowledge.

1 God wants
humankind
to:

Seek Knowledge
Gain Knowledge
Apply Knowledge

On Judgment Day the 1st question **1 God** asks: Explain what knowledge a person has continuously accumulated and how this knowledge was used for the benefit of the local habitat and all environment. **1 God** wants us to acquire knowledge and apply knowledge from cradle to cremation.

Seeking knowledge means wanting to know, learn, experience... Seek knowledge from: Parents, educators, book, Law Giver Manifest, mentors, internet...

Gaining Knowledge means getting an education, acquiring skills and life experiences. Gain Knowledge from: Studying, asking, reading, listening, observing, projects, trial and error, teaching mentoring...

Applying Knowledge means teaching others, training others and sharing life experiences with others. Apply knowledge through: teaching, application, conversion, usage, utilization...

Custodian Guardian belief the best way to 'Seek, Gain and Apply Knowledge' is by the 'Learn and Teach' method (1st learn then teach). A successful life consists of continuous learning, teaching gaining life experiences. All life !

Life cycle of learning and teaching :

A human is growing in his mother to be womb. The growing fetus **learns** to listen and recognize his parents voices. The parents **teach** by talking, reading, shouting, singing, making music, laughing, introducing the sounds of pets. A fetus gains its 1st life experiences. Parents gain their 1st experience in parenting.

When attending Shire and Provincial free public education scholars **learn** through study, comprehension, understanding and repetition. The fast learners **teach** (assist educator) the slow learners.

At work every worker is trained and retrained. More knowledgeable, experienced workers help with training and retraining.

A Soul's mission consists of accumulating our life's life experiences. It is your duty to help your Soul. Seeking, gaining and applying knowledge lead to life experiences. Fate, choices further life experiences.

Fate life experience: A life threatening accident (falling from a great height). A life experience that is never forgotten.

Choice life experience: A person decides to parachute. An experience that is never forgotten.

Intellectual property, an individual's live experience knowledge is preserved (estate) to become immortal. Knowledge continuity approach identifies critical knowledge and provides methods for capturing, applying transferring that knowledge. Life experiences are to be separated between work and personal.

An individuals life experience knowledge (I.P) is shared with the community and family. Community sharing comes via free public education. Sharing means oral. audio (story telling), video (showing), shadowing (hands on).

Note! All Intellectual property (commercial, private) belongs to the community (Shire). The community provided the means for an individual to gain, I.P. Claiming 'Copyright, Patent right' is stealing from the community, a crime **MS R6**

Family knowledge sharing comes via children and grandchildren. Sharing means oral, audio (story telling), video (showing), shadowing (hands on).

Universe Custodian Guardians assist with Study Guide, 'Learn and Teach' method in continuous learning and teaching. U.C.G. support government free education and oppose, non government education. U.C.G. education supports Shire, Province education:

Zero Tolerance to stealing from public education!

Government that gives money to non government education is stealing from public education as well as insulting **1 God**. This kind of Government is removed, prosecuted. Senior government employees that facilitate this type of Government are as guilty. They loose their job, are prosecuted.

Every time you learn something, write it down. Later teach it to others. Preserve your writings for Knowledge continuity.

Use Universe Custodian Guardians study guide. Support plagiarism in education. Why rewrite something that is well written. Rather use it and expand on it.

Affirmation 5

The **Law Giver Manifest** replaces all previous messages **1 God** sent.

Through human history at irregular intervals **1 God** picks a person to pass on a message to humankind. **1 God** is disappointed that Humankind has not heeded those messages. The latest message is the '**Law Giver Manifest**'. It replaces all current and past religious publications. Therefore these obsolete publications are shunned and not adhered to. Obsolete entails environmental friendly disposal.

Past messages were ignored. This is the last message before Humankind will change. Embrace this message with all your heart and Soul. Protect and cherish this message.

To ensure that every person gets the opportunity to read, embrace, comprehend the '**Law Giver Manifest**' (L G M).

It is up to every one to spread the message around. Point to our web site,
www.universecustodianguardians.org
1 God is watching.

The introduction instructs on how to worship. **1 God** is waiting to hear from you, worship daily (**Daily prayer**). How to apply the 'L G M'. Why the 'L G M' was written. Conversion of morals into governance...

1 Faith is explained, its symbol of recognition (heptagon) and its Vision! Starting a Gathering. There is a 7 Scroll overview followed by the scrolls:

Sc1: **Beliefs** the foundation on which **1 Faith** is built on!

Sc2: **Obligations** a persons' duty towards **1 God**!

Sc3: **Privileges** are rewards for fulfilling 'Obligations'!

Sc4: **Failings** are insults towards **1 God** they are avoided!

Sc5: **Virtues** are lifestyle behavior set by **1 God**!

Sc6: **Khronicle** is Humankind's' heritage!

Sc7: **Afterlife** where the Soul goes!

Fun Day themes, cater for a community need to celebrate, be shamed and remember.

A C.G. Planner, should be part of your Daily routine.

1 God wants community living!

1 God wants 7 Tribes who live in many Shires in 7 Provinces. Humans being social creatures live, work, raise a family in a community. Private ownership (Capitalism) is selfish a Failing, Anti **1 God**, Anti community. Cluster homes and **CRON** replace it.

Community ownership the Custodian Guardian way.

Private ownership (commercial), State and Public owned entities are replaced by **CRON** (Community Run Owned not for profit). Private housing is replaced with community shelter (Cluster-housing).

A Community needs governance, laws, enforcement, fairness...

Justice a human need. People live in communities with Laws (Rules, Regulations) to function, survive. When there appears a breach of Law, Truth is found, to establish guilt or no guilt. Guilt is followed by accountability mandatory sentencing, rehabilitation and compensation. **Note!** Their are no Juries!

No person or Government has the right to kill a human!
It is Anti 1 **God**. Many persons and Government's kill.
Endorsed by Evil Religions (now Cults). All of them are
accountable in life, afterlife to 1 **God** and Humankind.

All Killers are prosecuted and caged !!!

Zero Tolerance to killing !!!

1 **God** wants humankind to seek knowledge, then
gain it and apply this knowledge, all life long. This
gives every human the 1 **God** given right to free edu-
cation all their life. To ensure community standards
are met only public education is acceptable.

Mad Scientist's !

1 **God** is disappointed that Humankind allows mad Scientists to chal-
lenge 1 **God**'s design. Mad Scientists (arrogant, ignorant..) fail
whenever they challenge 1 **God**'s design. The side effects of their ac-
tions always endanger humans. Examples:

Interfering with the River flow: Irrigation, unnatural diverts water this
eventually leads to drought condition (lower river increases evapora-
tion).

Blocking floodplains increases flow speed and its erosion factor (the
submerged weight of objects that may be carried away by a river is
proportional to the sixth power of the river flow speed). This leads to
bigger floods and faster erosion. This also applies to concreted river
banks, beds.

Building solid walls into the seas leads to greater erosion along other
parts of the coastline. Creating new rifts and undercurrents. This dis-
rupts existing shoreline ecosystem. Irrigation destroyed civilizations!

The human body is sacred yet many people sin in this area. Blood transfusion, body piercing, cannibalism, circumcision, cloning, cosmetic surgery, designer babies, gender change, life support, make up, organ growing, organ transplant, tattoo.. All the above insult **1 GOD**.

Everything **1 God** created has a beginning and end. The leftovers are recycled. Prolonging useless human or other life is Anti **1 God**. Life support, keeping the body alive by artificial means (delaying Judgment day), insult **1 God**. Recycling a human body means cremation and ashes. Recycling a human Soul entails Reincarnation.

1 God wants Humankind to live in harmony with itself and their surroundings. To live in harmony with itself, violence can never be a solution. Living in harmony with surroundings means understanding of custodial duties and their application. **1 God** wants Humankind to be Custodian of the physical Universe.

To be Custodian of the physical Universe. Humankind has to explore Space and than colonize it. Colonization means multiplication.

Must do :

Replace all other religious publications with the Law Giver Manifest! Discard obsolete publications environmentally friendly.

Skim through the manifest, when you see an interesting heading read. Next do some deep reading. Reread, comprehend, apply. Live It!

The spirit and understanding of the message is what matters. Not the meaning of the individual word or sentence structure. Understanding the spirit and purpose of the thought will help in implementing the message.

Introduce the 'LGM' to others. Find 6 other Supporters. Start a Gathering. Elect Elders (equal He and She). Elders form a committee (Klan). Support your Elders and their committee.

Committee elect 2 Custodian Zenturion (1 He, 1 She). Who become member of Universe Custodian Guardians. Now every Supporter of

this Gathering is a Custodian Guardian (C.G.). Custodian of the local Habitat and Guardian of the 'LGM'.

1 God wants every human given the opportunity to read and study the 'LGM'. Those that cannot read should have it read to them. No exemptions every C.G. has a duty here. **1 God** is watching.

C.G. support 'Free Education' and Government Schools. C.G. parents explore regularly the 'LGM' with their children. Parents make sure that educators at school do the same.

C.G. workers are to ensure that their place of employment operates within the guidelines of the 'LGM'. Any problems are reported to the 'Klan'. The Klan with government will investigate and endeavor to solve the problem. Not all problems are solvable. Than a best outcome compromise is used.

Evil, immoral, anti **1 God** behavior will entail rewriting, corrupt, bad, discount Laws. Backdating them and resentencing. Use the 'LGM' as guide. **1 God** is watching.

C.G. hold accountable in life and afterlife following **1 God's** example! Forgiveness protects evil, crime, lawlessness, encourages re offending.

Humankind's behavior (Atom splitting, nuclear fusion, body parts and body fluids, cannibalism, genetic engineering, cloning, coal burning, pollution..) is threatening **1 God's** design! Stop angering **1 God**. **1 God** will reform Humankind and cleanse the planet using nature (see Prophecy).

1 God's latest message is a guide of things to come. The more people embrace and act on this 'Message' the less humankind will suffer. **1 God** is watching.

For the spiritual and physical well being of Humankind its ultimately survival and fulfilling its Destiny. The 'LGM' supplies space laws guidance! Colonizing Space, being custodian of the physical universe and guardians of **1 God's** latest message' is mandatory.

Affirmation 6

Numbers are important and 7 is divine !

Once humankind started to use numbers it was ready to evolve towards its Destiny: Custodian of the physical universe. Numbers made it possible to describe and measure quantity, speed, creating mathematical concepts. Custodian Guardian believe that numbers are a major cornerstone of humankind's intellect.

7

Numbers are the foundation mathematical concept that humankind uses to create more mathematical concepts. Numbers led to science enabling us to advance and understand more and more of 1 God's creations. Mad scientists are tempering with 1 God's designs. Numbers built civilizations and destroyed them.

Numbers allowed counting :

Fingers on a hand 1, 2, 3, 4, 5. Result (symbol: =) 5 fingers.

Adding (symbol: +) allows to merge more than 1 counting result.

Fingers on 2 hands $5+5 = 10$ fingers on both hands.

Take away (symbol: -) allows to reduce a previous result. 1 hand with 5 fingers has 1 finger cut off (accident): $5-1 = 4$ fingers are now on hand.

Multiplying (symbol: \cdot) allows (simpler) counting amounts of similar items. Fingers on 3 hands $3 \cdot 5$ (simpler then $5+5+5$) = 15 fingers on 3 hands. When multiplying the same number repeatedly a **Power** notation is used: $2 \cdot 2 \cdot 2 \cdot 2 \cdot 2$ (2^5 power of 5) = 32 the fifth power of 2.

Dividing (symbol: /) allows portioning of previous result. 3 hands have 15 fingers. 1 hand has $15/3 = 5$ fingers.

Numbers allow the creation of a **Sequence** of numbers 0, 1, 1, 2, 3, 5, 8, 13, 21, 34, 55, 89, 144, 233, ... (symbol: ...) after 2 initial numbers, each number is the sum of the 2 preceding numbers.

Custodian Guardian use the base 10 natural number system.

The 1 digit symbols used: 0 (zero), 1 (one), 2 (two), 3 (three), 4 (four), 5 (five), 6 (six), 7 (seven), 8 (eight), 9 (nine).

Numbers: 0, 2, 4, 6, 8 are called even; 1, 3, 5, 7, 9 are called odd.

After 9, 2 digits (called 10's) are used: 10, 11, 12, 13, 14, 15, 16, 17, 18, 19,

The **0** placed to the right of any of the 9 numbers creates a 2 digit number called 10's (ten's) e.g. 70. Two **00** are called 100's (hundred's) e.g. 700. Three **000** are called 1000's (thousands), e.g. 7000. Every 3 numbers counted from the right are separated by a comma e.g. 1,000,000(1 million). (see study aid numbers)

Per cent (symbol: %) means hundreds. A 100's fraction can also be expressed as a per cent e.g. $7/100 = 7\%$ or decimal 0.07

(.) A dot is used to show values less than 1 e.g. 0.1 (called Decimal). 0.1 (Decimal) can also be expressed as a fraction using the division symbol $1/10$ $0.1 = 1/10$ or per cent 10%

Numbers are used in geometric design: 3 sided Triangle, 4 sided Square, Rectangular, 5 sided Pentagon, 6 sided Hexagon, 7 sided Heptagon (symbol of 1 Faith), 8 sided Octagon. Square² (2 dimensional), Cube³ (3 dimensional), Cone, Cylinder...

7 is divine because it took **1 God 7** days* to create the Physical Universe and Humankind. 6 work days + 1 rest day = 1 week.

***Note!** 1 God's week differs from the C.G. Kalender below.

Affirmation 7

There is an Afterlife and there are Angels !

For relatives, friends and community there is grieving to be observed.

Introduction

1 God wants us to believe in an Afterlife, Judgment day, the Eternal Soul, Reincarnation and Angels. Afterlife starts with a cremation to make sure the Soul is released. The Soul has completed its Mission. It is ready to leave the physical body and move on into Afterlife. For the relatives, friends and community there is grieving to be observed.

Afterlife starts with a cremation to make sure the Soul is released. Cremation releases the Soul. Fire cleanses destroying body contagion and releasing the Soul to move on to the Spiritual Gate.

After death a **Relive Good Prayer** or **Relive Bad Prayer** can be used. These prayers ask **1 GOD** to reward or punish a person.

Graveyards are not acceptable they are recycled for other purposes.

A Gatekeeper Angel decides whether to welcome the Soul or send it back. A dark Gate a Soul goes back. A bright Gate a welcomed Soul has its Judgment Day.

On Judgment day **1 God** question's the Soul. After questioning the Soul moves on to the Purity scale.

A Soul relives its' bad and good life experiences. Then they are moved to a life experiences vault.

Either a Soul gets another body, is Reincarnated. Or the Soul has collected enough life experiences to become eternal (Angel). An Angel starts with being Guardian then Reaper and eventually Gatekeeper.

There are other Angel (too complex to understand by humans)

1 God calls the spiritual universe '**Heaven**' !

Heaven is where souls become '**Eternal**' !

1 God calls the eternal '**Angel**' !

Soul you got 1 !

1 God is the original Soul and **Eternal Soul**. The Soul is spiritual. The Original Soul is **1 God** both good and bad.

1 God created 2 types of Worlds. A Spiritual: 'Heaven' and a physical: 'Universe'. They co exist complementing each other. On day 4 of creation **1 God** gave every physical life form a spiritual companion. A Soul! You got 1.

Note! The Soul's physical human cycle begins at: Birth> growing> learning> multiplying> teaching> dying> cremation.

Why do I exist ? A **Soul (Yours)** from the Spiritual Universe gets its instruction (from **1 God**) on what life experiences (emotional and physical) it is to have in the physical Universe. Instructions are vague as is to be expected from an imperfect Universe. Giving a Soul flexibility for completion of its mission. To complete its mission in the physical Universe a Soul needs a physical appearance (your body). The reason for your existence is to help your Soul gain the life experiences it needs to complete its mission.

Life experiences are events you remember until your dying day or memory loss. These events are dramatic happy (dream come true...) or unhappy (serious accident...), character-building. Custodian Guardian believe that every individual should record their life experiences and pass them on: **Knowledge continuity !**

Why do some people die young? The life experiences mission of your Soul may have been completed at an early stage (infancy..) of existence. Whenever a life experiences mission is completed the body is supposed to die. That is why people die at different ages.

A **Soul** after entering a physical life form is given a 'Mission' from **1 God**. The mission is to gain specified 'Life experiences. The Soul delivers these to the '**Purity Scale**'.

A **Soul's** physical body is there to make life experiences possible. The Soul's relationship with it's physical body is volatile and imperfect just like the Universe. Imperfection leads to surprising experiences !

A **Soul** and its physical body have 2 Angels assigned to them, both are Guardian Angel. 1 guards the mission (e.g. a body has an accident not part of a mission, a body is dying, 1 G. Angel makes a miracle happen. Both body and mission are saved). The other Angel tests' (temptation) the maturity of a Soul and its moral strength (conscience).

When a **Souls' mission** is completed the physical body dies. The Soul moves up to the bright Spiritual Gate. A dark Spiritual Gate means the 'Gatekeeper Angel' send's the Soul back (incomplete mission).

Soul Prayer

1 God is waiting to hear from you !

Dear 1 God, Creator of the most beautiful Universe
I feel empty, lost, without purpose
A humble custodian guardian who struggled to be good
A much loved person who fulfilled their mission
Fire frees this Soul for Judgment Day
A unique Soul missed
For the Glory of 1 God and the Good of Humankind

This prayer is used after a person died. Is used at the Crematorium
End portal ceremony !

Grief

Bereavement the state of being sad because a family member or friend died. When a person dies their body has an autopsy, cremation and an Estate. The Soul starts Afterlife. The people who cared about the deceased are in a state of bereavement. Bereavement comes in various emotional stages. The most intense being Grief.

Grief unbearable emotional pain after a Loss. Grief the most painful and character building Life experience a person can experience. One moment everything is normal, then we suffer a loss and almost unbearable emotional pain. Pray (Grief Prayer) keep on praying. Keep on praying through all stages of grief! It helps!

A 1st reaction maybe numbed disbelief. This can't be happening. 'I didn't plan this'. Isolation, privacy is needed, lethargy is normal.

Next anger is felt at the cause of the grief, others, oneself, God. The grieving feels regret about missed opportunities. Indulges in self pity, self blame. Some embrace addictions (don't). Do Pray!

Then the bargaining with **God** and fate starts. If I promise to change or do this or that will that reverse the 'Loss' or take away the pain. Desperation resulting in wishful thinking. Do Pray!

Memories lead to reminiscing, reflection and revisiting the past. Realization of Loss sinks in. Numbness, bouts of emptiness, despair and depression occur. Do Pray!

Eventually managing grief evolves. Now it is time to normalize, reconnect with life around You. Interest in surroundings returns.

Hope returns and planning becomes essential. Reconnect! Friends, family, community await your comeback.

Go outside. Life's Good!

Birds are singing the Sun is shining, go out
Harmonize!

How can others help? Cheering up won't help, sympathy won't help, understanding won't help. Patience and support will help.

Grief Prayer

1 God is waiting to hear from you !

Dear 1 God, Creator of the most beautiful Universe
Please welcome a member of our community
My eyes are flooded with tears
My heart is breaking under unbearable pain
Please comfort me, give me hope and purpose
Your most humble faithful custodian guardian (1st name)
For the Glory of 1 God and the Good of Humankind

This prayer is used after the loss of a loved one !

Cremation

A human body has a beginning and end. At its end a soul needs to be released. To ensure that the Soul is released and Afterlife is possible a human body must be cremated. If a Soul is not released it exists in limbo as Ghost.

Cremation is not only needed to free a soul but also for health reasons. The cremation laser (no burning) cleanses destroying dangerous bacteria, viruses, insect larvae and fungi that may inhabit the body.

A **Crematorium** is a Provincial public service facility. This facility administers a Morgue, End Portal and garden. Here the dead have an autopsy, are fare welled and recycled.

Morgue: All deceased are transported to the morgue for autopsy. The autopsy is to establish cause of death, identity of deceased and include a toxicology to establish whether the body was contagious in any way and could have infected another human. The Finding decides what happens next.

A natural death finding, the body is transferred to the 'End Portal'.

A suspicious death finding the body is moved to the 'CiL' (**Criminal investigation Lab**). A contagious death finding the 'Provincial Defense and Emergency center' (**PDEc**) is alerted. PDEc picks up the body and applies relevant quarantine and investigation.

Cannibalizing the human body before during or after autopsy is immoral is criminal. Cannibalizing is removing body parts, body fluids, eggs and sperm.

Body part cannibalizing is a crime: **MS R7**

End Portal: After receiving a body a Cremator prepares the body and estate distribution information for viewing. Every body is prepared the same way no exceptions. A naked body (humans start life naked they end life naked) covered by an olive color linen sheet with only the head visible is placed in a plain cardboard coffin.

A viewing date and time is set any person can come to say farewell. Viewers may pray silently using the Soul Prayer, Relive Good Prayer or Relive Bad Prayer, Grief Prayer.

Relive Good Prayer

1 God is waiting to hear from you !

Dear 1 God, Creator of the most beautiful Universe

Your most humble faithful custodian guardian (1st name)

Requests that the Good (name) has done deserves extra recognition (name) represents the good Humankind has to offer, an inspiration to others. May (name) relive (number) times all the joy of recipients' of good deeds

For the Glory of 1 God and the Good of Humankind

This prayer is used for a good person before or after cremation !

Relive Bad Prayer

1 God is waiting to hear from you !

Dear 1 God, Creator of the most beautiful Universe
Your most humble faithful custodian guardian (1st name)
Requests that the bad (name) has done deserves extra punishing
(name) represents Evil a blemish on Humankind a repugnant
abomination a fiend
May evil (name) relive (number) times all the suffering of victims
For the Glory of 1 God and the Good of Humankind
This prayer is used for a bad person before or after cremation !

The Cremator sets a date and time for the Cremation. An **Afterlife** mess is held by an **Elder** from the nearest **Gathering**.

The coffin is closed cremation proceeds. A released Soul enters a lit up Spiritual Gate welcomed by the Gatekeeper... Mourners receive a plaque each to take home.

Crematorium Garden: A body is recycled via the cremation ashes. The morning after the cremation ashes are spread over the Crematorium garden. Ashes cannot be taken away. They are always spread over the Crematorium garden.

Note! Prisoners who die in **Rehabilitation** their ashes are spread over the Crematorium compost.

Cremation of other things living only applies if their physical presence is not used in any form of recycling. For cremation (pets, anything poisonous, sick..). Basically cremation is the same as for humans. **No cremation** (anything eatable or recyclable, composting material..).

Graveyard funeral a pagan ritual!

Graveyard funerals are unacceptable because a growing population is to use the land more useful. Funerals may create Ghosts by not releasing a Soul. Graveyard funerals are favored by **evil elitist** showing off: Expensive coffin, expensive Headstone, pompous landscaped mausoleum.

Preservatives in food stop body's from decomposing stopping reuse of graves. Graves encourage crime, robbing and vandalism. Neglected graves attract vermin,.. they are a disgrace.

No more new Graveyards. Existing Graveyards are closed and dug up. Remains are to be cremated and spread over the Crematorium garden. The land is to be used for other purposes.

Cremation is the only acceptable type of funeral !

Judgment day a part of the 'Cycle of beginning, end and recycling' (Day 2). It is the 2nd stage of **Afterlife**.

A Soul is released by praying and cremation. A welcomed Soul is then questioned by 1 God :

1 God wants explained what knowledge the person has continuously accumulated and how this knowledge was used for the benefit of the local habitat, environment and community.

1 God wants explained how his latest message was heeded, applied and proclaimed. 1 God wants everyone to hear the message and live by it. 1 God is watching!

Thousands of years of Evil are coming to an end. 1 God wants explained how the person helped cage Evil.

Note ! A Soul cannot use excuses, play dumb or lie to 1 God.

After explaining a Soul is praised by 1 God for its Good deeds and reprimanded for Failings. A Soul then moves on to the Purity Scales.

Purity Scale

A 'Purity Scale' weighs a soul's good deeds and it's bad deeds. It makes a soul relive it's deeds. A soul's life experiences are transferred to the Purity-Scales:

Left side
measures
Good deeds

Right side
measures
wrong

The left side is down (↓)you done more **Good**.

Your soul relives all good things you did and the good feelings that the recipient of your good deed felt. Your soul will not only relive the good feelings that the recipient of your good deed felt but also the joy their family, friends and pets felt. Your good feelings may be extended by prayers from recipient of your good deed asking 1 God to multiply the **relive good** experience (Relive Good prayer).

The right side is down (↓)you done more **Bad** deeds.

You Soul relive the suffering and pain your victims felt. Your soul will not only relive the suffering and pain of your direct victim but also the suffering and pain of the indirect victims (family, friends, pets..). Your soul's accountability may be extended by prayers from victims asking 1 God to multiply **relive bad** deeds (Relive Bad prayer).

Example: John Howard the Bully from Down under. A tyrant who invaded 4 countries with his criminal Mates. They raped, tortured, injured and killed (baby's, children, mothers, fathers, grandparents) 10's of thousands of people. Destroyed, plundered workplaces, schools and homes leaving 100's of thousands homeless and millions became refugees. Evil John will relive the suffering he and his mates caused to millions ! Custodian Guardian prayed. They asked 1 God to listen to our, Relive Bad prayer.

Life experiences vault

When the reliving stops a Soul's current memory is erased and transferred to a **Life experiences Vault**.

A Soul is now Reincarnated and enters a new physical life form.

Reincarnation

Reincarnation is used as apprenticeship by a **Soul** towards becoming an Angel. Being an apprentice a soul is on a learning curve prone to errors. As a result life experience might not live up to its full potential. A similar life experience will need to be experienced.

Previous life experiences can be gained from any kind of life form (bacteria, insect, plant, animal, human). Past life experiences and any unfinished are used to determine a Soul's next mission and into which life form it is Reincarnated (not necessarily human).

A Soul's Life Experiences accumulate until there are enough to complete the Apprenticeship and become Angel. Reincarnation ends when a Soul becomes an **Angel (Eternal)** with infinitive afterlife in **Heaven**.

Angel

A Newly qualified Angel is welcomed to heaven by 1 God, becomes

Eternal and given heavenly pleasures 1st of these is being '**Guardian Angel**'. Every time a new Angel becomes an Eternal. There is great merriment (music, singing, dancing, laughter..) in Heaven.

'**Guardian Angel**' (G.A.) monitor how a Soul's mission is progressing. G.A. interfere when a soul stray's from its mission or events threaten its mission. G.A. methods of interference: conscience, miracles, vision. **Note !** G.A's are the only Angels that can make themselves be seen by Humans and all creatures.

A Soul and its physical companion (body) have 2 Guardian Angel assigned to them. 1 guards the mission the other tests' (temptation) the maturity of the Soul and its moral strength (conscience). Resist temptation and listen to your conscience!

A Soul has completed its mission, a **Guardian Angel** tells it that Judgment Day is imminent. Folklore describes this behavior of a Guardian Angel as a Reaper or Angel of Death! The Soul cuts its bond with its body. Flashbacks' occur the Soul starts moving towards a warm bright all embracing light.

A **Gatekeeper** decides whether to welcome a Soul or send it back. A Gatekeeper checks each incoming Soul if it has completed it's mission and is due, to come in. Should a mission be unfinished the Soul goes back into the body (no body to go back, is assigned a new body). A Gatekeeper appears as a warm bright light!

Gatekeeper administer: Judgment Day, Purity Scale, Life experiences Vault and supervise Guardian Angel.

There are other Angel (too complex to understand by humans)

Deceased

A Deceased person has a community afterlife: Estate, knowledge continuity, heritage and traditions. Estate passes on accumulated knowledge, life experiences, heritage, family traditions and memorabilia. Estate does not pass on Position (ends with death), Power (ends with death), all Wealth goes into Government Revenue.

A Deceased person who had raised Children (own, adopted, foster) becomes 'Immortal'! Those that didn't, 'Don't'! Children make you 'Immortal'!
