

Everyone Wins in the Silent Auction at the 2018 Pecos Conference!

FLAGSTAFF, Ariz.--July 25, 2018?Ass we look forward to the 2018 Pecos Conference on August 9-12, consider this great way you can support the conference and the Cordell-Powers Prize: participating in the 2nd annual silent auction.

Bring your formerly beloved or repurposed, treasures for the auction to the Vendor Tent Friday, August 10, from 8 to 10 a.m. We are particularly happy to receive Southwestern art, books, and other novelties.

Once the silent auction opens, you may find that special something that you've always wanted at just the right price.

All proceeds from the auction go to our organization: 90% will support the Cordell-Powers Prize awards, and 10% will support Southwestern Archaeology, Inc., to ensure we have funds to continue hosting excellent conferences each year.

See the [Silent Auction](#) page on our web site for more information.

See you in August at the Flagstaff Hotshot Ranch!
