

Informational Form

Studio Rates- *50% deposit required at time of booking. (Non-Refundable) Full Payment required prior to start of booked session.*

- 1) Hourly Rate - \$60/hr
- 2) Block Rate - \$50/hr/24 hour block

* Any studio block time must be paid in advance. Studio time must be scheduled in 4 hours increments. Studio time begins and ends is based upon booked time NOT arrival time, money nor time will be refunded due to client neglect or tardiness. Booked time must be canceled 48 hours in advance to be rescheduled. If additional time is needed beyond the 24-hour block the \$60 US dollars per hour rate applies to the additional time unless another studio block is purchased or a payment plan is implemented. To institute a payment plan the initial 24-hour block must be paid in full and the payment plan and additional hours must be negotiated before the studio block ends or the fees will be assessed at the regular rate.

Mixing & Mastering

- 1) 2-track Mix - is a mix where the music or vocals is premixed and the other is stemmed out. An approximate time of 4 hours is required for mixing.
- 2) Standard Mix – A standard mix is when the music and the vocals are completely stemmed out. An approximate time of 8 hours is required for mixing.

* All tracks must be assessed before a mixing agreement is reached. Mixing fees are based on the negotiated hourly rate. Complex mixes needing excessive tuning or excessive audio correction may exceed the stated 4 to 8 hour recommendation. The client will be notified if the mix falls into the complex category before the work is accepted or as the issues are discovered while the mix is being developed. This process will be handled with the highest level of business integrity.
