Quotes:

“She is one of the most unique students I have had over the years. She is highly intelligent, absolutely loves to learn, is motivated by success and achievement, and is talented in music and theatre performance. She does it all.” **Robin Mitchell** - School Counselor

“Thank you for your continued support of students seeking post-secondary education. Knowledge is power, and you are doing a great service to equip the young minds of this nation with the forces that they need to change the world.”
