Jason has applied for and received approval for a grant Can ask for items up to five times, if under \$1,000 each time it is free if over \$1,000. They ask that we pay 10% of total.. Jason asked if we could share with little league, and board approved.

Meeting with school committee went unanswered, actually stated we weren't paying enough, suggested \$25.00/hr like other selected school districts. Were given no details on what they are actually paying for ex: setting up and painting fields, hanging/purchasing nets, bathrooms, etc. Jason stated he was going as a concerned parent and was not representing GYAA or GLL.

Board approved to move soccer to Chester in the fall. Basketball will stay at Gateway for now.

Sarah had few suggestions for fundraising

Food sales at Russell VFW craft/vendor fair fundraiser. Selling Hamburgs and hot dogs, would need to get food safe person also a Quarter raffle with chinese auction

Golf tournament at East Mountain CC would charge us \$59/per person we would charge more. September 16th was date given to us, if interested.

Looking into Worthington Golf Club--Kids golf for free, perhaps set something up there
