Volume #1 Published Monthly

From the President's desk, April 2015,

Once again, I would like to thank Covanta York Renewable Energy LLC!!!! They came through with extremely generous donations to the club, totaling \$6000.00!!! The donation is targeted primarily for the Pheasant, Wildlife Habitat Rehabilitation and Youth Programs, and we have already started putting it to work rebuilding the Pheasant facility, and supporting the kids fishing derby. I cannot say how grateful we are to have this kind of support from a local York Business.

This month we have a couple of important things happening at the open meeting on April 21<sup>st</sup>. We will be finalizing the nominations for this year's election of officers and board members. Please consider serving, it is not nearly as hard as you think, and it is quite rewarding.

Secondly, we will be opening the floor to discussions on the proposed changes to the By-Laws and Constitution that were presented to the general membership last month. The intent of these discussions is to answer questions and clarify any issues folks may have, and to help members decide if they wish to accept or reject these proposed changes as written. At the May election, we will be adding an entry to our general election ballot, to accept or reject the new revision of the By Laws. Copies of the proposed changes are available at the clubhouse, or you may request a copy by calling Treasurer Cindy, at 717-968-0159, or email her at [treasurer@yorkiwl.org](mailto:treasurer@yorkiwl.org), and she will get a copy to you.

The next club work morning will be Sunday April 26<sup>th</sup> at 8 am. We will be doing some spring cleaning and planting and some odd jobs. Bring along a few garden tools, rakes and shovels and such, and trail clearing gear. Look for an all member email in the week prior for more detail.

During our May 19th election meeting, we will have a presentation by Raptor Rehabilitator Mark. He and a few of his feathered friends will be visiting us. Mark has visited us before, and his presentation and his birds are a real treat. Last time we got to see a few live owls and hawks up close and personal. You are not gonna want to miss this one!

Last but certainly not least, our annual sandwich sale is scheduled for this fall and we need someone to run it. Peggy Walker has stepped down from the driver's seat, and has graciously volunteered to show the new person how run it. She says everything is in place, and it almost runs itself, all it needs is a person to coordinate the event. Please consider helping out, and give me a call if you are interested.

As always, if there is anything on your mind, good or bad, please feel free to reach out to me.

Gary 717-968-2544 or [ghswope@gmail.com](mailto:ghswope@gmail.com)

**Pheasant Committee:** April 6,7,8,13,14,15 & 16 in the evenings at 4 pm come when you can. We will be working on the building & pen. Bring tape measure, saws, screw gun, hammers if you have them & old clothes. Questions call Nate Ehrhart at 717/870-6574.

**BOD Rule:** please take note: several months ago, the Board of Directors passed, and then presented the following new rule to the open membership meeting in February; "Open Carrying of loaded weapons on club grounds is prohibited unless authorized by the Board of Directors".

**Club Fundraiser:** Do you shop on Amazon?

AmazonSmile is a simple and automatic way for you to support your favorite charitable organization every time you shop, at no cost to you. When you shop at smile.amazon.com, you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate a portion of the purchase price to your favorite charitable organization. You can choose from nearly one million organizations to support. Izaak Walton League of America. Inc. York Chapter No. 67 is one of them.

Go to smile.amazon.com and sign up. Bookmark the smile.amazon.com page so every time you use it you are automatically signed in through your donate page. You can still use all the features of Amazon including prime if you have that, and our chapter gets 0.5% of all applicable purchases. Most things they sell are eligible for the donation.

0.5% may not seem like much, but many of us shop on Amazon anyway, and if half of our members use this for only \$500 worth (some use amazon a lot more than that) of eligible purchases annually we're looking at an income of over \$1400, for doing basically nothing.

**Youth Field Day:** Don't forget the Youth Field Day on Saturday May 30<sup>th</sup> on the Izaak Walton grounds for ages 8 to 15 years. Help would also be appreciated. Pre- registration is required. Mail child's name, address, and age *along with self-addressed stamped envelope* to: York Area Sportsmen for Youth P.O. Box 32 Dover, PA 17315.

**Kid's Fishing Derby:** will be held Saturday May 9<sup>th</sup>. All boys and girls age 12 and under can enter. Registration begins at 7am; fishing starts at 9am and ends at 1pm. Prizes awarded. The grounds are closed to other activities that day. Help will be needed with parking, registration, and selling food among other things. Come out and help and enjoy the day. Anyone who wants to donate bake goods for the derby can drop them off Saturday morning. Sunday, May 10<sup>th</sup> is Mother's Day: the stream is open to women and kids age 15 and under.

Spring Valley Park is open for trout fishing from Route 216, past the pipe where the stream flows under the road to the first bridge on the right. It will be open from dawn till dusk every day until the end of May.

**York County Federation of Sportsmen Clubs:** Veteran shoot will be held on July 11, 2015 at Starview Sportsmen Club. If you are a veteran and interested in participating or anyone who is interested in volunteering to help, contact Phil Baker 717/266-5987.

**Seafood Dinner fundraiser:** I would like to thank Matt Eberly and Bill McCain for the work they did March 8<sup>th</sup> to clear snow from the parking lots above and below the club house for the seafood dinner Saturday evening. Also, I want to thank the other people for their help again this year at both seafood dinners and a thank you to Joe at Artistic Edges for selling tickets!

Terry Eberly

**Welcome New Members:** Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
