Dear Donor,

Lawrence County Community Action Partnership is grateful for your contributions to our Head Start and Early Head Start Programs in Lawrence County. Your donations will be used to support family engagement, parent education, and infant, toddler and preschool services to some of the most needy children and families across Lawrence County PA.

Head Start and Early Head Start promote the school readiness of young children from low-income families (100% of Federal Poverty Level and below) through agencies in their local community. The Head Start program is authorized by the Improving Head Start for School Readiness Act of 2007.

Head Start and Early Head Start programs support the mental, social, and emotional development of children from birth to age 5. In addition to education services, programs provide children and their families with health, nutrition, social, and other services. Head Start services are responsive to each child and family's ethnic, cultural, and linguistic heritage.

Head Start encourages the role of parents as their child's first and most important teachers. Programs build relationships with families that support positive parent-child relationships, family well-being, and connections to peers and community.

Again, thank you for your contributions to our Lawrence County Programs!

Sincerely,

Thomas Scott, CEO
