

2019 Men's Club Membership Drive

Member Referral Requirements & Benefits

Summary:

In addition to adding to our growing numbers over the past 5 years, our 2019 membership drive is intended to include incentives for both our existing members AND any new members obtained as a result of this effort. We feel our combined efforts will be far-more reaching utilizing 350+ people, rather than relying on 4-8 Men's Club members & club officers. Unfortunately, a few local area golf courses may be closing in the next 1-2 years. Many golfers will be looking for a new course to call "home". Step one foot on our golf course and you will immediately notice we have one of the more visually appealing and playable facilities in the area. We are proud to have added our Club Professional Craig Moore and we feel as though we have one of the best, active, & involved Men's Clubs in the area. In addition to all of the recent improvements to the golf course, cart paths, new fleet of golf carts, clubhouse, and the restaurant and lounge, our fairways and greens are in superb condition year-round thanks to Lynn Elliott and his crew! Our course sells itself!

Requirements:

1. To receive credit for a referral, you **MUST** be a paid/active Men's Club Member in 2019. This includes "renewing" members, "associate" members, "new" members and "referred" members.
2. The person you refer **MUST NOT** have been an Allenmore Men's Club Member in 2017 or 2018. The person being referred **MUST** become a regular Men's Club member (associate member does not qualify).
3. The referred (new member) may also receive credit for referring others who fit the specified criteria once he is a paid/active regular member in 2019.
4. Referral credit will not be applied to any member who is not paid in 2019.

Benefits/Rewards:

1. Once a member refers 3 new members, the referring member shall receive free entry into three (3) 2019 monthly Men's Club events (\$60 value). Your 3-event entry benefit MAY include multiple entries into one qualifying event.
2. The tournament entry slip should clearly identify the name of any member using their earned benefit by circling, highlighting, and/or noting their status. Example: a 4-man tournament receipt would then indicate \$60 received (instead of \$80) with the benefitting 4th member clearly identified.
3. Events which are excluded from free entry are: 1) The Annual Match-Play Tournament, 2) The Member-Guest Tournament, 3) The Men's Club Championship & 4) The Senior Men's Club Championship.
