

# SPOTLIGHT PACKET!

All students will get to be the spotlight in their class near their birthday (or half-birthday for summer birthdays). This packet can be used to create a poster for your child's special day. Feel free to print any or all of the pages and use them however you want! Be creative and go all out! We want our spotlight student for the day to feel extra special and important on their turn. Parents are encouraged to come to the first 15 minutes of class to help their child with their spotlight presentation. You can bring in a favorite book, pictures of special events from their life, treats or trinket for the class, their special pet (with teacher approval first), or whatever else you can think of to make their day special. Refer to the class calendar online to see when your child's class has spotlight.

Posters will be kept on display for one week after your child's spotlight and then sent home. We appreciate your help in making the day special for you child! Let us know if you have any questions!
