2020 WINTER EXPEDITION

CHAMONIX FRANCE

January 31, 2020 - February 8, 2020

2020 WINTER EXPEDITION

CHAMONIX FRANCE

JANUARY 31, 2020 - FEBRUARY 8, 2020

Everyone loves winter sports and the beautiful mountains that you decide to take on every time you hit the slopes. But what could be better than experiencing some of the most breathtaking views of the French Alps while shredding some powder. Chamonix is a destination that's popular all over the world and all those who travel come for some of the most authentic alpine flare.

Chamonix has some of the worlds best peaks and glaciers for expert skiing but also is perfect for the shopping aficionado. Chamonix's village is flooded with tons of stores ranging from jewelry and designer boutiques to high performance outdoor gear shops. Also, outdoor enthusiasts can enjoy Nordic Trail, ski touring, winter paragliding and also can hit the town for some nightlife hot spots and even the casino! Anyway you decide, there will be something for each and every person to have an unforgettable experience.

CHAMONIX, FRANCE. Located just 90minutes from Geneva Airport, or 2 ½ hours from Milan Airport as an alternative gateway, Chamonix is the jewel of France. Chamonix is surrounded by mountains and offers a wonderful pedestrian only village that charms tourists with rows of shops, restaurants and bars.

For the skiers, Chamonix gives you the choice of skiing 3 different countries at once. With the purchase of the 6-day Mont Blanc Pass, you are able to ski the 4 resorts of Chamonix, as well as Courmayeur, Italy and even Verbier, Switzerland! This gives the skier over 130miles of groomed, marked runs. (And that's not even counting the off-piste stuff or the Mont Blanc Glacier run!)

For the non-skiers we have many options for day trips and excursions. Just a few are as follows:

- Aosta, Italy
- Annecy
- Geneva and Lake Geneva region
- Wine tasting Tours

If people prefer to be adventurous on their own, they can hop on the train and travel to a dozen different villages in any direction.

Take a look at Chamonix!:

Sometimes you just want to get away from the snow and enjoy a tour filled with warm weather, and plenty of Touring and excitement. And New Zealand certainly has that in bundles. In fact, The South Island of New Zealand is known as the Adventure Capital of the Southern Hemisphere. Combine that with Auckland, and Rotorua on the North Island, as well as a visit to Hobbiton Village where you can enjoy a beer in the Pub used in The Lord of The Rings movies, and you are bound to have yourself a merry good time.

But no tour to New Zealand is complete unless you allow yourself the options of visiting Australia in the Spring time. Enjoy the warm waters of the Great Barrier Reef, the tropics of the Kuranda Rain Forest and then head down to Sydney to enjoy some of the most fantastic sights you can see.
