There was also a discussion around the new staffing configuration for EMS services. Josh Finke asked to step down as the chairperson of the committee due to reduced availability of time. Dr. Gordon stated he would be interested and was nominated by Mark Schroeder, there were no other nominations it was a unanimous decision to appoint Dr. Gordon as chairperson. Dr. Gordon did request some assistance and Josh Finke stated he would be willing to assist in the absence of Dr. Gordon. No other discussion, meeting was adjourned at 11:50.
