MEDIA RELEASE

(To be completed by parent/guardian of minor students)

Livingston Parish Public School (LPPS) system is proud of the many accomplishments of our students and staff. Often, such accomplishments draw the attention of the media, newspapers, television stations, LPPS media, and/or other media who visit the schools to photograph, film, and/or interview students. Maurepas School requests your permission to reproduce through printed, audio, visual, and/or electronic means activities in which your student has participated in his/her education program. Your authorization will enable the District to use specially prepared materials to train teachers and/or increase public awareness and promote continuation and improvement of education programs through the use of mass media (i.e., Twitter, Facebook), displays, brochures, and/or websites, etc.
