

## **Panera Pick Up**

One person needs to have a key to Dulin, or be willing to hold bread until Saturday when church is open. Katie can give you a key, or Kathy Rice can lend you a key if needed.

### **Before Friday evening:**

We have plastic boxes to put pastries and bagels in at Dulin, kept in the kitchen on the back counters.

**(Due to the water damage, they are currently in the Annex Room next to the Fellowship Hall)**

You do not have to pick these up in advance, but the boxes do make storage of pastries/bagels easier. If you don't have the boxes, Panera staff will use large plastic bags that they have to transfer bread.

### **Friday 8:45**

To do the pick up, you need to arrive at Panera by 8:45. Staff will pack up bread/treats, you need to drop them off in the refrigerator at Dulin (bread/pastries can be dropped off Saturday, if that works better for you). We try to get all of the bread into the refrigerator at Dulin, so as not to attract 4 or 6 legged critters. Please make sure refrigerator is closed (Apparently once I didn't get the door all the way closed).
