LAST 71 CENT POSTAL RATE NEWSLETTER

We expect to mail this Newsletter on the last day of the 71 cent two-ounce rate. You may have a last day cancel on this envelope. Or you may not. We can't control how and when the USPS cancels our envelopes. The new rate for our two-ounce Newsletters will be 70 cents, so we'll be saving 1 cent on each one we mail. If you get our Newsletter by email, you won't have a last day cancel, but you will have the scans in color and 3-8 days advance on the snail mail folks. Every silver lining has a cloud.

IN THIS ISSUE....

PAGE TWO includes a number of items with new lower prices. As we adjust catalog values to the 2019 Catalogs, we've found that a number of nation's issues have been lowered. We have adjusted prices on this and other pages up to 50%. The average drop is between 10% and 20%, but a surprising number of items in this Newsletter were adjusted further.

Our Page 3 Cover listings are augmented by two Lots on the Lot page. We are gathering up more of the covers we have set aside and making lots in order to make some shelf space. We just don't have the time to write up many of the less expensive covers which turn up in lots and collections, so we plan to see if we can't make some attractive lots and move them from our house to yours.

Pages 4 – 6, our World-Wide Scans (BP's) include some attractive Newfoundland discovered in a glassine envelope in the bottom of a junk box. We also worked up an old Vatican City lot. There are some better stamps in this section and an expanded list in the World-Wide stamp section. There are a few space fillers, stamps which have stains at the edges, like C20-1, which are offered at very low per centages of Catalog value. There are also some new Italy and Eritrea and a few Australian Swans.

World Wide Folder Lots on Page 7 are on SALE. This is the end of the list started in the last issue, most of which sold (Thank you very much). Take 30% OFF the list prices, provided you order BEFORE February 15. No other discounts apply. P&H on Lots is \$14.00. We accept telephone and email orders or reservations. We added the American Banknote Archive Series 1989 Volume to the special discount items on this page. On Page 8, we list some more lots. The Manila Stock Sheets have been a continuous seller. L-50-53 are new (don't miss the German cover lot) and we offer our remaining Netherlands MNH set lot.

The Collection Grande "CG" lists on pages 9-13 includes the complete St. Vincent list. We are working on New Zealand (Ursula) and on the Grenadines and other St. Vincent Islands and Specimens from those areas. I can't wait to finish the St. Vincent area and get into something else. You will also find the up to date listing for Tristan da Cunha on pages 12-13.

World Wide stamps on pages 13-19 finish our push to finish the alphabet and restarts. In addition to the new topical listings which can be detected by the descriptions, we have expanded Vatican City and United States stocks.

The Back Pages, pages 20-22, start with new arrivals from Czechoslovakia, Eritrea and the Italian area followed by the up to date listings for Dahomey through Finland. We will start with France in the next issue and another list of new arrivals. We have a pile of new stamp issues and two boxes of Souvenir Sheets to add to the Back Pages, so there will be a lot of new material in this section for some time to come. We have tried to add a number of scans to these listings.

Work on the next Newsletter has already begun. Thank you for your orders and your support!

OUR CASH SALES POLICY: All material is sold on a Cash basis. Payments by credit card or check with order or, upon request, we will process your order and tell you how much to send. Don't forget to tell us how to reach you with the price. We will hold material for up to 14 days to allow the payments to arrive. If promised payments do not arrive, the material will be returned to stock and the customer permanently removed from our lists.

READ THIS: We TRY to be available Monday-Friday 10-5 EST. You can order by mail, e-mail or telephone. Our addresses are in the terms below. We acknowledge all e-mails; if you get no reply, we don't have your e-mail. If it isn't on the list, we do not have it for sale. We do not service want lists or offer approvals. We guarantee your satisfaction and replace (if available) or refund.....you must return ALL the stamps in the set you received. We issue refund checks and do NOT give credits - you can send the check back with your next order.

Thanks for your patronage and the alternates,
