W O R S H I P is an act of religious devotion directed to **1GOD**. Worship is the adoring acknowledgment of **1GOD** ! Creator of the most beautiful Universe's. **1GOD** is both HE & SHE. **1GOD** is the original Soul. Custodian Guardian worship the Creator of the physical & spiritual Universe's as **1GOD 1FAITH 1Church!**

An act of worship may be performed individually, in an informal or formal group, or by a designated leader. Many religious traditions expect regular worship at frequent intervals, often daily or weekly. Expressions of worship vary but typically include one or more of the following: Prayer, chanting, dance, devotional song, festivals, meditation, music, pilgrimage, sermons, ritual, sacraments, scripture, or simply private individual acts of devotion...

Religious worship happens in a wide variety of locations: in purpose-built places of worship, at home or in the open. Custodian Guardian worship anywhere except purpose-built places. **Note!** **1GOD** doesn't want purpose-built Palaces (*Cathedrals, Churches, Mosques, Shrines, Temples, Synagogues* ...) for worship.

Worshiping entails praying, caring, using & enjoying **1GOD's** creations. The Custodian Guardian worship :

1GOD does not want sacrifices, but seeking, gaining & applying knowledge. Therefore Altars need replacing with Lectern. **1GOD** does not want purpose-built places of Worship. Therefore purpose-built places of Worship need demolishing. Custodian Guardian worship anywhere, anytime or on Fun-Day at a Gathering in a school.

Worshiping **1GOD** involves Praying. Praying is the best method of staying in touch with **1GOD**. When no 1 listens! When there is no hope! Pray! **1GOD** listens.

For spiritual insights & inner harmony use Meditation. Meditating is done without the use of plant or chemical supplements. Custodian Guardian only use the natural uncut unpolished Rose-Quartz.

When meditating the mind withdraws itself from all outside impressions then frees itself from all thoughts this stillness & silence is calming. After the calming you may glimpse truths of your Soul & insights relating to the purpose of life. **Note!** A troubled soul may give insights that create a state of anxiety if this happens **STOP meditating**. Try another day. *Group worship is available at a Gathering.*

Religion explains the natural world & Purpose of living. Religion organizes society through its beliefs in proper behavior (*rules & guidance*). Religion is concerned with the welfare & wellbeing of its supporters.

Historically Religion explains humankind's past, present & future. Religion introduces the spiritual world to humankind (*GOD, Beliefs & Afterlife*). Belonging to a religion lets you meet like-minded people & join their activities, celebrations & rituals.

Religions have a guide often this guide is based on a message **GOD** conveyed to a person. During human history at irregular intervals **1GOD** picks a person to pass on a message to humankind. The "Law-Giver Manifest" is the latest message conveyed to humankind & it makes all previous messages redundant.

Currently there is only 1 Religion: '**1GOD 1FAITH 1Church Universe Custodian Guardian**'. Everything else are Cults. You want Religion become a Custodian-Guardian & live by the Law-Giver Manifest.

Religious-Rituals

Worship is often done at a purpose-built building (*church*). **1GOD** doesn't want purpose-built places of worship. Therefore they are demolished & its building material is reused for infrastructure. Custodian-Guardian worship anywhere anytime. Every Fun-day they hold a Gathering at a school.

Religion has rituals: birth, marriage, death,... Rituals are based on tradition & changing community-standards. Custodian-Guardian rituals incorporate local traditions that do not contravene the "Law-Giver Manifest". Every Gathering is unique.

Cults use sacrifice on an Altar as a worship ritual. Sacrifice may be actual or symbolic. **1GOD** doesn't want sacrifices. Therefore Altars are demolished & its building material is reused. Custodian-Guardian do not sacrifice, they replaced the Altar with lectern. They seek, gain, apply knowledge & practice Knowledge-Continuity.

Religion uses time-management. Custodian-Guardian use New-Age time-management (*N-At-m*). **N-AT-m** is used to set theme days.

Religion opposes 'Wealth-apartheid'. Buddhism, Hinduism, Islam, Judaism,... are corrupt bought by greedy Parasites. Custodian-guardian oppose 'Wealth-apartheid'. Support us & let's end Wealth-apartheid & hold greedy Parasites accountable.

1GOD's latest message the Law-Giver Manifest

No Messiah is coming !

The coming of a Messiah was 1st mentioned by the Invoker (*Zoroaster*). Other religions (*Christians, Islam,...*) originating in Persindia Province followed the Invokers assumption. The Invoker was wrong there is no Messiah coming, not then, not now, nor in the future, not ever. All people waiting for a Messiah are waiting in vain.

Why expect a Messiah ?

Why do people believe that 1GOD is going to send a Messiah? Many people lack confidence in themselves & Humankind to solve everyday problems. These weak pathetic people beg 1GOD to send a Messiah to solve all their real & perceived problems & make them happy.

1GOD is not going to send a Messiah. Should Humankind be incapable of surviving then Humankind will vanish into the dust of History. 1GOD will be disappointed & instruct Evolution to create another specie that can handle being Custodian of the Physical Universe.

1GOD expects each individual to handle themselves. For bigger issues an individual should seek & gain support from their community. For issues beyond community capabilities, Pray!

1GOD will act !

An issue beyond community capabilities needs combined Faith & Prayer: 1GOD will act ! 1GOD' actions are not predictable or comprehensible.

1GOD wants us to concentrate on our 'Purpose of living' (*helping our Soul gain life-experiences*). Not dream (*be a life-waster*) about a Messiah coming . Custodian-Guardian belief that 1GOD wants a person to handle challenges not waste time on unrealistic hopes. **No Messiah is coming !**

Greedy Profiteers exploit the need by some people for a Super-being: Thor, Superman, Goku... **Fictional nonsense !**

Religious Super-being: Jesus, Kalki, Mahdi, Moshiah,... **Will not resurrect or come.** False Messiah pop-up often. **Ignore them!**

1FAITH 1Church Universe Custodian Guardians

Martyr's are life wasters, Anti-1GOD.

1GOD doesn't want human sacrifice!

People who are killed for maintaining their beliefs not intentionally seeking death are sometimes called martyrs. Supporting martyrdom & martyrs encourages mentally & emotional unstable individuals to seek death, suicide, endangering other people. These are fake martyrs who commit suicide. Custodian Guardians don't accept Martyrs or support Fake-martyr's.

There are 2 types of Fake-martyr's:

People who seek martyrdom through Suicide. They are selfish attention seekers using a 'Cause' to gain celebrity status. They put on publicity stunts like self-incineration or starvation. They are emotional & mentally unstable (*sick*). If they survive they need to be held in a Sanatorium for life.

People who seek martyrdom through criminal Suicide (*Suicide-bomber*) & the hurting or killing of others are **Assassins** (*criminals*). If they survive they are to be prosecuted: **MS-R7** Their name shall never be spoken, all evidence of them existing must be destroyed as if they never existed.

Life the most precious possession!

1GOD wants us to concentrate on our 'Purpose of living' (*helping our Soul gain life-experiences*). Not plan our premature death (*be a life-waster*). Universe Custodian Guardians belief that 1GOD wants a person to not expose themselves to excessive risk unnecessarily & protect 1's life.

1G O D doesn't want human sacrifice !

Human sacrifice is primitive, psychotic, pagan, out dated a ritual belonging to the past. Suicide is human sacrifice a wasted LIFE! Human sacrifice involving suicide & killing others is an Execution! A Crime! **MS-R7**

A purpose of living is not to kill yourself or any other person! Your body has to Survive. Suicide or killing is insulting 1GOD ! **Human-Life is sacred !**

Any organization religious or other-wise that promotes & endorses, Martyr's or Martyrdom is Anti-Humankind & Anti-1GOD. Martyrdom is unacceptable

Nobody has the right to **kill** humans ! Living is Good & desirable !

1GOD's latest message the Law-Giver Manifest

RELIGIOUS

Sacrifice a Pagan ritual to bribe the deity they idolized. Sacrifice: Blood, Heart, testicles,... (Animal, Human); Penis, Vagina & other mutilations.

Today's largest collection of pagan-cults (Christianity) replaced body-parts with tasteless dry cookies & blood with Alcohol. This Alcoholic Sacrifice is the main cause of binge-drinking children, cowardly wife-bashers, main cause of any form of violence. Wealthy Parasites sacrifice some wealth to bribe their deity. Christianity is the main cause of 'Wealth-apartheid'.

1GOD does not want 'Sacrifice'. Custodian-guardian oppose sacrifice & have replaced altars with wooden 'Lectern'. Replace sacrifice with seeking, gaining & applying Knowledge. Replace altar with Lectern. End Wealth-apartheid, hold wealthy Parasites "A C C O U N T A B L E"!!!

SELF

Self-Sacrifice may be positive. Sacrificing convenience, comfort, time, wealth,... for a good reason. Is satisfying, Soul pleasing.

Self-Sacrifice can be wrong. Taking blame for another is wrong & not acceptable. Donating Body-fluids & Body-parts is wrong & not acceptable.

Suicide as Self-Sacrifice is not acceptable to the Community. Nor for 1 GOD !

Forgiveness is a form of Self-Sacrifice. 1GOD doesn't forgive, but holds accountable. The Community should do no less. Wife-bashing continues because of self-sacrifice by the victim endangering their children.

1 GOD's Design

1 GOD's Design is not a life of Sacrifice. Random Acts of Kindness that become Self-sacrifice are 'Fake', wrong. Self-sacrifice to live in 'Harmony' is living a lie, is wrong. Spoiling children is self-sacrifice, is wrong.

CUSTODIAN – GUARDIAN

Custodian-guardian think 'Sacrifice' is an extreme measure & behaviour. Sacrifice is not supported by 1GOD! Nor is it by Custodian-guardian.

Custodian-guardian support, Random Acts of Kindness, without the extreme. Custodian-guardian support living in 'Harmony' without the extreme. Custodian-guardian support caring, loving children without the extreme.

Celibacy is going against **1GOD's** Design of mating, multiplying & starting a family. **1GOD** designed Humankind to mate & multiply. Mating & Multiplying is needed for Species survival & population growth. Population growth is needed to fulfill Humankind's Destiny: Colonizing the Physical Universe.

RELIGIOUS

Pagan-cults practice celibacy. Insulting 1GOD! Being a threat to Specie survival.

Pagan-cult HE practicing celibacy is known as 'Monk'. Pagan-cult SHE practicing celibacy is known as 'Nun'. These **1GOD** insulters live in Convents, Monasteries, Nunneries & Temples.

Celibacy is unnatural. The body wants to mate with the opposite gender. Denial leads to urges which become all consuming. This leads to Rape of same gender, opposite gender & children.

Monks & Nuns by behaviour oppose Family (*marriage, children*). Making them unsuitable to give marital or parental guidance or advice. Making them also unsuitable to teach or be with children, teenagers,..

Nuns prostituted themselves to HE clergy & benevolent wealthy HE. They aborted & slaughtered 'Newborn'. The leftovers were dumped outside the Nunnery (*Convent*) in unmarked dirt.

Everything Monks & Nuns own is confiscated (*including personal items*) without compensation. Every building used by Monks & Nuns is a place of Evil. These places are demolished & recycled & rebuilt as Rehabilitation Compounds. Any memory of the Monks & Nuns is erased.

1GOD doesn't want Celibacy. **1GOD** wants mating & multiplying. **1GOD** holds accountable whoever practices willful Celibacy.

Humankind does not want Celibacy. Celibacy is a threat to the survival of the Specie. Practicing Celibacy is a crime: MS/R7

Monks dwell in Monasteries. Monastery a building or complex of buildings consisting of prayer area, domestic quarters & work areas. Some farmed, ranched, worked in education, Christians Monks produced Alcohol.

Christian-monks could not find spiritual inspiration through praying & reading the scriptures turned to Alcohol for spiritual inspiration. Not happy, monks produced their own Alcohol. A Temple is a place where religious people congregate. They sacrifice, indulge in rituals, all forms of spirituality & worship. Temple is a specially designed structure(s) or precinct, a place of worship.

1GOD believes humankind has evolved enough. To not waste time, real-estate & funds to build oversized pompous structures with vanity gardens & parks. Sacrifices are not wanted anymore.

Places of worship may also be called: Basilica, Cathedral, Chapel, Church, Kirk, Mosque, Shrine, Synagogue, Temple,... To build & upkeep these places is enormous in time, money, resources & land. All of this could be applied more useful, to benefit the community & more 1GOD pleasing.

1GOD wants Humankind to seek, gain & apply knowledge all life long. 1GOD also wants Humankind to protect human-life from conception to end of life. Custodian-guardian apply 1GOD's wishes with 'SmeC (Shire medical & education Complex)'. 

SmeC is also where Custodian-guardian worship (Gathering), 'Learn & Teach', get health-care & senior-care. Custodian-guardian support the end of building purpose-build places of worshiping. They also support the demolition of existing purpose-build places of worship.

A 'Saint' a holy HE or SHE also known as 'Fakir', 'Guru', 'Rishi', 'Sadhu', 'Swami',... Saints lived their lives in such a way as to be rewarded with honorary title. People who idolize 'Saints(false idols)' are insulting 1GOD ! The only 'Idol' !

The 'Catholics(largest Evil Pagan Cult) use a complicated multi-stage process to appoint a 'Saint'(honorary title). Each saint has a Feast-Day named after them. They have 1,000+ false idols(Saints) to cater for the perceived needs of their followers.

Catholics have a saint 'Torturers & Executioners' can pray to. 'Saint Pedro de Arbues' had 1,000's tortured & 10,000+ executed during the inquisition. This saint was the 2nd most evil man of his time after the Pope(Sixtus IV). Both men are screaming in hell as their souls are burning until the end of time.

The US 'George Bush' administration & their followers(Coalition of the willingly Evil) embraced the methods & deeds of Saint Pedro de Arbues. Like the Saint & his boss(Pope) the Bush administration & their followers have Hell waiting for them. 1GOD doesn't forgive but holds 'Accountable'!

Hindu saint is rewarded for good deeds with honorary title by followers. Evil is not rewarded by Hindus'.

Custodian-guardian oppose false idols like saints,... Custodian-guardian have only 1 Idol, 1GOD !!! False idols are insulting to 1GOD!!!

7Tribes living in 7Provinces need governance.

People need governance: *Spiritual & political*. Spiritual governance consists of beliefs (**1GOD 1FAITH 1Church**) & its administration 1Church (*Universe Custodian Guardians*). Political governance consists of local (*Shire*) & provincial (*'Province'*) government. People stand on 2 feet. Governance is based on the natural number 2.

When a group of people get together they look for leadership. Single leadership is tyranny. Leadership by committee is fair.

Governance is by elected Committee

1FAITH governance consists of Supporters electing 14 Elders (*7HE & 7SHE*) who form a **Klan**. The Klan elect 2 Elders (*1HE & 1SHE*) as Custodian-Zenturion. They become members of the Universe Custodian Guardians (*1Church*). 1Church governance consists of Members electing 14 (*7SHE & 7HE*) Custodian-Praytorian who form an Orackle.

Shire governance consists of 3 Advisors & 2 Kalifs. The community elect (*1st past the post*) 2Kalifs (*1HE & 1SHE*), Provincial Government supply 3Advisor together they make up a **Shire-Council**.

Province governance consists of 'Voters' & 'Parliament'. Voters elect 70 Rulers (*35HE & 35SHE*) who make up Parliament. 36 Rulers known as Legislators form a Government. Non-Government Rulers are called Checkers. The Checkers supply a Ruler-Umpire who Chairs' Parliament.

Governance of work: **CRon** (*Community Run Owned not-for profit*) use a **D-mC** (*Decision-making Committee*). This committee is made of 7 members representing management, workers, customers & suppliers.

S-XC (*Space-Exploration Court*) has 7 Judges (*1 from each Province*).

Governance that comes via Estate or Appointment (*non-elected Governance*). Hereditary: Title, Position & Power is **Unearned**, corrupt, criminal, needs reversing & prosecuting.

People elect Committees. Committees elect leaders. A Leader needs a committee for input, audit & focus. A key leadership task is to communicate & promote a shared understanding of the committee's purpose by developing & implementing powerful strategies for moving the group in the direction of their shared vision.

JUSTICE ?

1GOD's latest message the Law-Giver Manifest

1FAITH 1Church Universe Custodian Guardians

Justice is a !BASIC! human need. Justice is essential for a community to function & survive. Justice has to establish Truth & rectify In-Justice.

People live in social-groups (*communities*). Communities need **Laws** (*Rules & Regulations*) to function & survive. When there appears a breach of Law, **Truth** must be found. Should there be a breach of Law, **Accountability** needs to follow. Accountability may find guilt & establish loss. Guilt leads to mandatory 'Rehabilitation'. Loss needs to be compensated.

Justice starts with an individual **YOU**. You need to be 'Just'. Being Just is the foundation from which 'Justice' rises up.

Being Just & receiving Justice is ideal. Reality is that there are unjust people who create In-Justice. Each individual has a moral & civil (*public*)-duty to remove In-Justice.

The Just need to group up & establish 'Governance'. Governance mandatorily consist of multi-choice elected 'Committee'. 1 person &/or hereditary (*Monarchy*) Governance is Tyranny. Tyrants are removed, prosecuted & 'Rehabilitated'.

Governance is shared equally by HE & SHE (*no exceptions*). Governance legislates Laws, finds Truth, ensures Accountability, provides Rehabilitation & orders compensation.

When things or events happen Justice needs to establish T R U T H :

1. What happened;
2. What caused the happening;
3. Was human ignorance involved;
4. Was human negligence involved;
5. Was human evil involved;
6. How to give justice through compensation & rehabilitation.
7. What lessons can be learned from this happening.

Justice is mandatory & accumulative Sentencing. Mandatory Sentencing brings consistency of Sentencing & the appearance of equality. Prevents corrupt & incompetent Officer of the Court interfering with Sentencing. Accumulative sentencing holds re-offenders accountable.

To have Justice you need Laws, which are made by Government & upheld by Courts. Laws need administering. Alleged breaches of Rules are investigated by, Marshall's' Office (*Province*). Alleged breaches of Regulations are investigated by, Sheriffs' Office (*Shire*).

LIBERTY irresponsibly or responsibly

Irresponsible liberty, do as you like, free will, freedom from government coercion, freedom from the bondage of Sin. This type of liberty is selfish & undermines the security & survival of a community. Irresponsible liberty is not acceptable to custodian-guardian. Irresponsible liberty is to be contained.

Responsible liberty: complete duties to receive rights; choices; vote in all elections; accountability for sins, wrongs & lawlessness. This type of liberty gives every person equal opportunity to fundamental worth or social status. Custodian-guardian support Social justice that gives people the opportunity to realize their potential in the society where they live. Ensuring individuals fulfill their societal roles & receive what is due from society. This will enable people to lead a fulfilling life & be active contributors to their community.

The community wants individuals to be responsible, do their duties & show respect for community values. The community wants governance by elected committee. That makes Rules & Regulations. Then enforces them without fear or favor.

The community doesn't want Liberty for freaks, perverts, criminals, lazy weirdos & other Anti-social individuals or groups to interfere with community Life. *E.g.* Decriminalization of: abortion, accountability, adultery, breast-feeding in public, drug use, drug possession, euthanasia, gambling, gangs, homosexuality, illegal immigrants, polygamy, pornography, prostitution, public-nudity,...
