

Jewart's Gymnastics has released what they are calling the PRELIMINARY Schedule for their Steele City Meet. It is awesome to have this information so early, but please be prepared, there may be changes. I would think the time may change but not the day your daughter is scheduled to compete. Arrival times account for warm up time as well. This meet is giving a Tshirt as a gift. Awards are 40% by age group and 100% of the all around.
