## CHIEF'S CHATTER

March is another month closer to warmer weather and all the summer events we have planned for the spring and summer as a club. For the April 5<sup>th</sup> meeting we have Al Scholten coming. He will be showing a video and telling us about the restoration of the Futureliner that they have been working on and use to tour the USA showing people the future of General Motors. The Futureliner will also be on display at the Tulip festival before the parade on Saturday May 13.

The month of February was a colder month that brought us back to the reality that it is still cold in the winter months. One cold day Rox and I went to see the ice sculptures in St Joseph and we saw many beautiful works of art. The sculpture that won was called "Bob on Ice" (see photo).

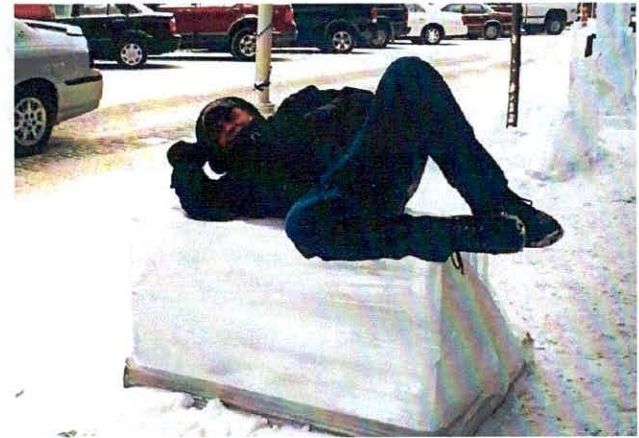

Our March Auction went very well and as a club we raised over \$300 for summer shows and events. The attendance was not as good as normal for this event and I am concerned. I need to ask the question of the club, was it just the day being Ash Wednesday, the weather, or something else? We need your input so we can stay strong as a Club! This is not my club this is our WM POC! club and we need to invite new members. It was nice to see one of our newest members there last month. Let's keep on inviting and keep them coming.

Please don't forget the Midland Car Show, Swap Meet, Flea Market weekend June 3 & 4. This is our Spring Cruise. If you want to stay over night, call and make your own reservation soon.

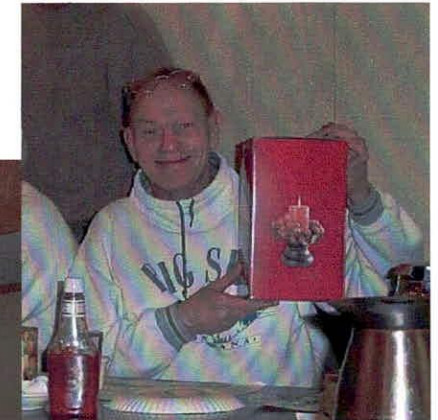

Until then, keep the rubber side down
